French, Tunisian Fighting Breaks Out

Chaplain Hits Delay in Local Police Trials

POLICE HONOR CHAPLAIN DRURY — Officer William Slover, president of the Kingston Patrolmen's Association, greets the Rt. Rev. Msgr. Martin J. Drury, PA, VF, at testimonial dinner in honor of the police chaplain held Wednesday evening at Hotel Kingston. Observing the greeting are (l-r) Dick McCarthy, toastmaster; Officer Louis Sapp Jr., a member of the dinner committee, and Alderman-at-large Harold Kaye. Msgr. Drury, dean of Ulscter and Sullivan Counties, has served as Catholic chaplain of the police department for the past 15 years and was honored by the Patrolmen's Association in recognition of his recent elevation to Protonotary Apostlic by Pope Pius XII. Van Buren Praised on Guidance

Drury Civic Work Lauded at Dinner

Delay in departmental trials for certain officers on the local police department cited in the Reuter Commission report has clouded the reputations of all members of the force, the Rt. Rev. Msgr. Martin J. Drury, PA, VF, told members of the Kingston Patrolmen's' Association at a testimonial dinner in his honor Wednesday evening.

More than 100 persons, including members of the KPA, who held the testimonial, friends and guests attended the dinner at Hotel Kingston in recognition of the recent elevation of the department's Catholic chaplain to Protonotary Apostolic by Pope Pius XII.

Calls It 'Hysteria'

Msgr. Drury, Catholic chaplain of the department for the past 15 years, compassionatly praised members of the force and described an investigation of the department as "hysteria resulting of a few unfortunate incidents."

The probe was "magnified beyond reality," Msgr. Drury said, describing it as "acrimonious criticism."

In continued reference to members of the department as "my fellow patrolmen," the Catholic dean of Ulster and Sullivan counties described the force as "the finest body of men any place" and praised Chief Raymond Van Buren for his guiding hand.

Must Seek Truth

All members of the department are "under suspicion" until the matter is clarified "and they (officials) separate truth from falsehood," Msgr. Drury declared.

Despite the allegations "there has been no major crime wave in the City of Kingston and it's a tribute to all of you men," Msgr. Drury said.

"It's about time the policemen had their say," the chaplain told the association.

Msgr. Drury's references were to a recent probe conducted here by Acting Investigations Commissioner Arthur L. Reuter.

Casts Shadow on Force

Reuter, who began his probe last summer after an Ulster County Grand Jury started an investigation of irregularities in the police department, said tes-

Patrolman Quits For Job as Guard

Special Officer Donald Genther, of 237 Hasbrouck Avenue, today was due to end his service with the local police department to accept a position as guard at the Eastern Correctional Institution at Napanoch.

Genther was among a group appointed provisionally several months ago pending compilation of a Civil Service eligibility list to fill permanently at least 10 vacancies in the department.

The list was announced recently by the Municipal Civil Service Commission, and nine of 11 special officers were among the 26 listed.

Oneida Is Easier As RR Moves Car Of Dangerous Gas

ONEIDA, N. Y. (AP)—A worried city smiled easier today after railroad crews righted a derailed tank car filled with dangerous gas and moved it from two other tankers carrying highly explosive sulphuric acid.

The area continued, however, under emergency restrictions imposed Wednesday when 24 cars of a New York Central freight jumped the track and rumbled into a row of trees.

One tanker overturned, loosing carbon bisulphide gas. Less than 100 feet away, the other two tank cars sprawled across the tracks. Acid leaked out.

Officials feared an explosion. Thirty persons living in the area were evacuated. Power was shut off, smoking banned.

Wednesday night, a crew using a huge crane put the gas-carrying tanker on the tracks and nudged it another 200 feet away. Firemen spraying liquid foam halted the flow of gas.

The tanker was to be hauled out of town today.

Workmen plugged the acid leaks with soap. They dug a trench and using a four-inch hose, flushed the spilled acid down a storm sewer.

Police Chief George Murphy, who imposed the state of emergency, said it might continue until all of the cars were removed. He was wary of further leaks.

The evacuees spent a second night in strange beds. Four of eight persons moved from a nursing home were lodged in the city hospital.

Meanwhile, the railroad reported passenger and freight traffic was moving normally over two

Bourguiba Says Bomb To Blame

Pinay Is Seeking De Gaulle's Help

PARIS (AP) — Fighting between French and Tunisian forces erupted in Tunisia today, heaping new North African troubles on Premier Pierre Pflimlin's government.

President Habib Bourguiba said in Tunis the fighting broke out after French planes dropped a bomb Wednesday on the airport at Gafsa, in south central Tunisia 25 miles from the Algerian bor- at Gafsa, in south central Tunisia 25 miles from the Algerian border.

Planes Restricted

The French had accused Tunisia of trying to provoke a clash with French troops at a time when the government in Paris is trying to regain control of neighboring Algeria from French rightists.

French troops and planes have been technically restricted to their bases by Tunisian orders since the bombing of a border village in February touched off a crisis between France and its former protectorate.

A Conservative leader lent a hand to hard-pressed Premier Pierre Pflimlin by going off to see Gen. Charles de Gaulle, who has offered to assume full power in France.

Urges Influence

The leader, Antoine Pinay, was reported urging De Gaulle to use his influence over insurgent military men and French colonials in Algeria to bow to Paris' authorities.

Pflimlin was speeding progress of constitutional reforms aimed at strengthening the executive authority and make it more difficult for the National Assembly to turn cabinets out of office.

Pflimlin's new military chief, meanwhile, prepared for a mission to Algiers aimed at bringing the Gaullist generals there back under the control of Paris. A military envoy from Algiers already was in Paris.

The Premier put his constitutional proposals in shape for Cabinet consideration in a conference leaders, who have given him overwhelming support so far.

Would End Turnover

The chief aim is to end the rapid turnover in French cabinets which has so often stymied French policy and produced the demand for a strong-man regime headed by Gen. Charles de Gaulle.

The heart of the reform plan reportedly is a constitutional amendment requiring the opposition, before it can vote out a government, to come up with a new premier and program acceptable to the Assembly majority. Provision also would be made for dissolving the Assembly and holding new elections when the Cabinet and the deputies deadlocked without acceptable alternative.

May Join Salan

In his first major step to re-establish the government's control in Algeria, the Premier ordered Gen. Henri Lorillot, new chief of staff for the combined forces, to cross the Mediterranean. His departure date was a closely guarded secret to protect him from the colonialist hotheads in North Africa.

Officially, Lorillot's mission was to discuss military operations in the Algerian war with Gen. Raoul Salan, the territory's military dictator who is supposed to be exercising authority for Paris but who has been voicing pro-De Gaulle sentiments. Despite his announced purpose, it was assumed Lorillot also would go into Salan's ambiguous position in the crisis.

Saugerties Exposition Set to Spur Business

A Saugerties area exposition in the main business section of the village is being planned for this summer by Saugerties Area Chamber of Commerce.

The project drafted by the "Do It Now" committee of the Chamber and designed to spur business in the area, was approved by members of the businessmen's group at a meeting Wednesday night at Stonewall Hotel, Barclay Heights, Saugerties.

To Cost $1,000

John Lynker, president of Skylark Corporation, operators of WSKN, Saugerties, a member of the committee explained preliminary details of the promotion which he estimated would cost about $1,000.

Lynker said the proposal, a sort of "Saugerties on Parade," would be held in the village center which would be blocked off for the day to permit the use of the streets for special displays. He pointed out that the location of the village is such that it can by by-passed to permit through traffic. The exposition will be designed to bring people into town in a carnival-type atmosphere, Lynker said.

The expenses for the plan as outlined would be borne by the merchants and businessmen of the Saugerties Township and according to preliminary arrangements would be prorated and based on store frontage.

All Day Feature

A continuous givaway feature would have for its grand prize a trip to Bermuda. Each person entering the blocked off exposition area would receive a free coupon making them eligible for the thousands of dollars in awards. There would be no admission charge and nothing to buy

Nat Aaron, chairman of the committee, said the project could be as large as the merchants and businessmen would want the promotion. There was also talk of securing a name band to play music for dancing in one of the parking lots. A proposal was also made to secure the services of a nationally known entertainer as a drawing card.

Preliminary arrangements call for participation of the drum corps, area dance bands and other entertainers. The committee would make arrangements to have the various parking lots in the village available to handle the large volume of traffic the exposition would bring.

Date Not Set

The exact date of the exposition and more detailed arrangements will be announced by the committee.

Town Supervisor Peter M. Williams suggested a public relations project which would authorize the village policemen

Yorktown Center Is Plan of IBM

NEW YORK (AP) — International Business Machines Corp. will break ground in the spring of 1959 for a multi-million-dollar research center at Yorktown, Westchester County.

The two-story building, to contain 450,000 square feet of space, will be built on a 224 acre site, it was announced Tuesday.

The Yorktown center will serve as administrative headquarters for IBM laboratories in New York City, San Jose, Calif., and Zurich, Switzerland.

Education Leader To Hear 2 Sides On Consolidation

Oral arguments on the proposed school consolidation in Kingston will be held before the state education commissioner at 2 p. m. Wednesday, June 11, it was announced today.

Notice was received by Schick and Klein, counsel for Eugene DeDea who petitioned the State Education Department to set aside the consolidation, and Cook and Cook, representing the Kingston Board of Education.

DeDea, who lives at 110 Madison Avenue, is chairman of the Kingston Civic Association's education committee.

The communication came from Charles Brind Jr., counsel to the University of the State of New York. Arguments will be held in the education building, Albany.

Counsel for DeDea appealed to State Education Commissioner James E. Allen Jr., to set aside the action of the local board consenting to consolidation, Grounds for the petition is that a referendum was held and that in approving the proposed Greater Kingston Area Consolidation the board was guilty of a breach of faith. The referendum was against consolidation by 278 votes.

The board took the position that the referendum was an unofficial test of public feeling, that the board was not legally bound and had not said it would be ruled by the vote.

John Vines, chairman of the rural consolidation committee, liason representative who has been sitting with the local board to assist with the transition to consolidation, will submit a written brief to the commissioner in support of consolidation, it is reported.

Title to the three properties will be taken on June 2.

The Harder and Scardefield properties are located on Clinton Avenue.

Following demolition the land will be leveled and blacktopped. Estimated cost of the project is $150,000.

Svirsky explained that Senate Parking, Inc., had been established by the Uptown Businessmen's Association. Bulk of the stock has been purchased by uptown merchants but some has also been acquired by Kingston residents, he said.

He told The Freeman that tenants of the three properties would be given notice. They will be given "as long a time as possible. We will try to be fair with all persons involved."

Liberals May Join Democrat Move To Unseat Powell

NEW YORK (AP)—A Liberal Party leader has indicated his party may join forces with organization Democrats in an effort to unseat Rep. Adam Clayton Powell Jr. (D-NY) in his insurgent bid for another congressional term.

Murray Baron, the Liberal Party's chairman in New York County (Manhattan), said Wednesday night his organization would rally with the Democrats behind a "candidate of the stature of Thurgood Marshall."

Marshall, Negro attorney for the National Assn. for the Advancement of Colored People (NAACP), argued the segregation case before the Supreme Court.

Marshall has said he would not run against Powell, also a Negro, in Manhattan's 16th Congressional District in Harlem. But the Liberal Party reportedly believes he might accept a draft.

The Liberal Party, which exists only in New York State, has considerable voting strength in New York City.

Baron issued a statement noting that his party did not endorse

PO Bill Is Set For Final Okay

WASHINGTON (AP) — A bill to raise postal rates a record 550 million dollars annually and to hike postal employes' pay 380 million dollars a year was ready for final congressional approval today.

It cleared the Senate Wednesday by an 88-0 roll call vote and House leaders anticipated no trouble sending it to the White House for President Eisenhower's consideration.

As a revenue producer, the bill falls about 150 million dollars short of what the President wanted while the raises it provides for 520,000 postal employes total 220 million dollars more than Eisenhower proposed.

The bill is a compromise of measures passed separately by the House and Senate. Its major provision is for an increase from 3 to 4 cents in the cost of mailing a first-class letter. This accounts for about 350 million dollars of new revenues.

Boosts in rates on letters, post cards, air mail and books would become effective Aug. 1.

Rates on newspapers and magzines and on advertising matter would also be increased, in stages, starting Jan. 1.

Parking Lot Group Takes Options on 3 Properties

Options on three properties which will be demolished for the Senate Parking Lot between Clinton Avenue and Fair Street have been taken, it was announced today by George Svirsky, chairman of the parking lot committee of the Uptown Businessmen's Association.

Involved are the Harder, Scardefield and Chambers properties located back of the Senate House Museum.

Located in the Chambers building on Fair Street are the Rialto Barbershop and a tailoring establishment operated by the Hudela family.

All three properties will be razed to make way for the parking lot which will accomodate 130 cars.

Busy Parley Leaves Nominees Alone

MIAMI BEACH, Fla. (AP) — The nation's governors headed homeward today from their golden anniversary conference without having pegged any star performer for the 1960 Democratic and Republican presidential nominations.

Cover Many Subjects

In four days of meetings, the governors covered subjects ranging from the size of the National Guard to a proposal for a White House conference on the recession.

They heard Secretary of Defense McElroy and Secretary of the Treasury Anderson explain what the federal government is doing—and why it hasn't done more—to combat the business slump.

Try for Publicity

But behind the scenes governors who consider themselves available for their party's top nomination two years from now maneuvered for position and publicity to help their cause.

The general opinion among those who had no national ambitions was that none of those who displayed their wares made much headway in a field from which

Ulster Beats Zoning, Bingo Hearing May 27

The proposed Town of Ulster zoning ordinance met defeat at a meeting of the Town Board Wednesday night when a motion for adoption, made by Justice of the Peace Millard Davis, failed to get a second.

All five members of the Town Board attended the regular monthly meeting. Failure to receive a second from any member of the board resulted in an automatic defeat. Opposition to adoption of the zoning ordinance was indicated by the four members of the board through their failure to second the motion of Justice Davis.

Was Clark Plan

Frederick P. Clark and Associates of Rye in November 1956, under a contract with the State Department of Commerce, began a comprehensive planning program for the town. A preliminary Town Development Plan and a recommended Zoning Ordinance was prepared. Funds for the survey were provided through public monies and with town assistance.

Last December a public hearing was held on the proposed zoning ordinance and the adoption of the ordinance was scheduled to come before the town board later that month. At that time a vote by the town board was postponed for further study. Again in January 1958, after former Supervisor Percy Bush had been succeeded by Supervisor Robert Pardee, resigned, the matter came before the Town Board and again action was postponed for further study until the regular meeting of the Town Board in May.

Banyo Presides

Meanwhile Supervisor Robert Pardee, because of ill health, resigned and Alexander J. Banyo was appointed supervisor. Supervisor Banyo presided at the meeting Wednesday evening, which was attended by a considerable number of residents of the town.

The town Board has set Tuesday, May 27, for a public hearing on the proposition of holding a bingo referendum. The public hearing will be at 7 p. m. at Grange Hall, Lake Katrine. At that time the question of holding a referendum to determine whether bingo will be licensed in the town will be discussed.

Utica Report May Go to Harriman Sometime Today

NEW YORK (AP) — The State Crime Commission has finished its report to Gov. Harriman on crime revelations in Utica.

Commission Chairman Myles J. Lane said the report, the first made by the commission since it was organized May 1, should be in Harriman's hands today.

Must Come From Ave

Lane, who told newsmen on Wednesday that the report was en route to the governor, said any disclosure of its contents would have to come from him.

Lane said the report was based in part on interviews with investigators who had been on the staffs of State Investigation Commissioner Arthur L. Reuter and the Legislative Watchdog Committee. Reuter and the committee, both replaced by the Crime Commission, had investigated gambling and prostitution in Utica. Documents compiled in these probes also were used in the Commission's report.

Leads Checked Out

The report, Lane said, was based also on information gained last week in interviews with members of a delegation from Utica, including officials and newspapermen. Leads obtained in these talks were checked out through telephone calls to the Upstate city.

The committee, Lane said, also had the benefit of information from talks Wednesday with James Horan, special events editor of the New York Journal-American, and Edward Newman and Dom Frasca, writers connected with Horan's department. Lane said the talks with the newspapermen, who investigated conditions in Utica, were exceedingly interesting and very instructive.

BPW Plans Two New Tennis Courts in Hasbrouck Park

Plans for building two new tennis courts in Hasbrouck Park were revealed at a meeting of the Board of Public Works yesterday.

The board will ask the Common Council for a sum not to exceed $1,500 for the project.

Two bids were received for operation of the concession at Kingston Point Beach. None was received for operation of concessions in local parks, but the board empowered Mayor Edwin F. Radel and Andrew J. Murphy, head of the recreation department, to consider future offers.

Gerald Farber, of 97 West Chester Street, bid $900 for operation of the beach concession, and Nicholas M. Lemister, of 18 York Place, bid $600. They were referred to Corporation Counsel William A. Kelly for study.

A proposal asking establishment of a retirement age limit for certain employes not under control of the state retirement system was also referred to the corporation counsel. The retirement system sets the retirement age at 70.

Appointment of Harry E. Howard, of 202 Smith Avenue, as a stock clerk in the public works department on a provisional basis was approved. Howard is a member of the Ulster County Alcoholic Beverage Control

Massena Man Killed

MASSENA, N. Y. (AP) — Roger Love, 19, of Massena, was killed today when the automobile in which he was riding went out of control and struck a tree on a downtown street.

Two other occupants, both 18, were hospitalized. In serious condition with head injuries were Keith Richards of Massena and Gordon Schumaker of Orwell, Oswego County.

Weekly Food Review

By THE ASSOCIATED PRESS

Chicken will be served in many American homes this Sunday, judging from the offerings of the nation's supermarkets and neighborhood grocery stores.

Broilers and fryers are economical, siple to prepare and versatile, home economists point out.

2-10 Cents Lower

Chicken prices this week are lower in many areas, with reductions running from 2 to 10 cents a pound. Pork chops, on the other hand, are higher by the same range in many places. Sirloin, rib roast, veal chops and leg of lamb also tend upward this week, although the advances are not as widespread. Eggs are one to three cents a dozen lower generally.

Chuck roast, a recession favorite, also will be featured in some areas. A lengthy list of fish will be specials in fish-favoring sections, while the barbecue season has brought out offerings of frankfurters and spareribs.

Outstanding bargains among plentiful supplies of fresh vegetables are green onions and radishes, while asparagus and yellow sweet corn also are excellent buys. The latter is slightly higher this week.

Potatoes Reasonable

Potatoes are quite reasonable with dwindling supplies from last fall's Maine crop augmented by new California long whites and Florida reds.

Tomatoes are a little cheaper, but still on the high side of a good buy in most places.

Strawberries, pineapples and bananas — a good running start on a tasty fruit salad — are the best buys at fruit counters.

Would Exempt Japan

TOKYO (AP)—Nikita Khrushchev today declared that Japan would be exempt from nuclear attack in the event of war if there were no American bases on Japanese territory.

A letter from the Soviet Premier to Japan's huge Sohyo, federation of labor unions, was in reply to a query Sohyo handed the Russian Embassy in Tokyo last week.

Ave Calls Fire Prevention Parley

ALBANY, N. Y. (AP)—Gov. Harriman today called the first New York State fire prevention conference for next Monday in Albany.

More than 500 municipal and fire officials are expected to attend. The governor's office said Harriman had invited all mayors, city managers and fire chiefs in the state.

Harriman said in a statement that, despite progress in developing techniques for preventing and fighting fires, "the terrible cost of fires in lives and property continues to mount."

World Briefs

Britain Cuts Interest

LONDON (AP) — Britain today eased its tight control on the nation's spending by cutting the official bank interest rate to 5½ per cent.

The reduction from 6 per cent was another cautious step to show confidence in British currency without encouraging an inflationary spending spree.

The interest rate reduction, announced by the government-controled Bank of England, was the second reduction in nine weeks in the fight to bolster the British economy. The rate was cut on March 20 from 7 to 6 per cent.

The bank rate is the control valve on the nation's economy. It had been sent skyrocketing last September to 7 per cent—highest in Britain since 1921—in a fight to tighten credit and steady the value of the shaky pound sterling.

May Visit Paris Now

PARIS (AP) — U. S. military authorities today lifted all restrictions on servicemen and their families visiting Paris. The restriction was imposed Saturday because of the Algerian crisis. It recommended that all U. S. personnel in Europe stay out of the Paris area except in cases of necessity or official business.

Denial Puzzles Press

LONDON (AP) — A Buckingham Palace denial of another report that Princess Margaret will get engaged to Peter Townsend after all puzzled British newspapers today.

The press wondered why the palace had bothered to deny the report published in a Geneva paper from its London correspondent. The report followed a dinner meeting of Group Capt. Townsend and the 27-year-old princess, who announced in 1955 she wouldn't marry him because he is divorced.

The palace explained it issued the denial because the report was picked up by a British news agency and distributed throughout the world which tended to lend the report authority.

Man, Searching Hudson for Sons, Discovers Body

POUGHKEEPSIE, N. Y. (AP)—A father searching the Hudson River for the bodies of his two sons yesterday discovered the body of a man who apparently drowned months ago.

Amos Terry Sr., 59, was out on the river in his small boat looking for his sons, Amos Jr., 38, and David, 28, who vanished while shad fishing last Monday night.

Terry sighted a crumpled object on a rock. It turned out to be the body of a man, not identified.

NEWBURGH, N. Y. (AP)—Birger Hernwall, 56, of Marlboro, died Wednesday in St. Luke's Hospital here of injuries suffered Tuesday when he was felled by collapsing timbers during demolition of an old hotel in Marlboro.

Hernwall had been employed on the demolition project.

Bushland to Smelter

QUEBEC (AP) — The Canadian-British Aluminum Co. has, in two years, transformed deserted Quebec bushland into a bustling aluminum smelter and town site.

W. G. Street, chief construction engineer for the smelter at Baie Comeau, and Charles Miller, project manager, reported on the development today in a paper prepared for the annual convention of the Engineering Institute of Canada.

The smelter on the north shore of the St. Lawrence River, 230 miles northeast of Quebec City, turned out its first ingot last Dec. 23. It is meeting all target dates on schedule.

Think It Through

By E. F. HUTTON

A DOLE FOR THE U. S. A.

With a "panic button" pushed by many hands to halt the recession, there's danger of getting "emergency" laws which will become a permanent load on production and employment. Proposed legislation would federalize unemployment insurance and supersede State laws. Just another road to Big Government,—complete control of your earnings.

MR HUTTON

The period during which compensation would be paid would be spread and the tax, which is paid entirely by the employer, would be raised As I see it, it's a dole for the people of the U. S. A.—and a permanent one.

It's inconceivable that Congress, made up of representatives of the States, would submit, even in a panic, to what would surely end in all-out federalization of unemployment compensation. Employment and living conditions differ all over the country. The ability of employers to sustain high benefits and healthy economic conditions is not the same in all States. Yet this federalizing drive would deprive the States of any say-so in the matter. And one may add, with full justice, that their aim is a dole. What kind of a citizen wants such a tie-in?

If the pushers of the "panic button" have their way, we're going to wind up with a centralized welfare—social welfare State, just like the British model. And with it, we're in for a big hunk of inflation that sure will give the dollar the look of a starved man.

Fighting Ends Calm

BEIRUT, Lebanon (AP) — Three days of comparative quiet, heavy fighting has broken out again in Lebanon. A battle between government forces and a splinter Moslem sect raged around the village of Baalbeck Wednesday.

A band of Shiite Moslems stormed the town but were driven out. Fighting continued outside Baalbeck.

Meanwhile, President Camille Chamoun told newsmen he would never resign under the tremendous pressures generated by two weeks of bloody rioting in his tiny Middle Eastern country.

Eastern Schools Will Get Donner Science Grants

PHILADELPHIA (AP) — The Donner Foundation announced today that five eastern universities will receive $2,500,000 to endow science chairs.

The endowments will go to Harvard, Yale, Princeton, the University of Pennsylvania and Massachusetts Institute of Technology.

Each university will receive $500,000 over five years. Income from the grants is expected to provide annual salaries of $20,000 for the Donner professors.

The Donner Foundation was established in 1932 by William H. Donner in memory of his son, Joseph. The father was president of Donner Steel Co. of Buffalo, N. Y., until its sale to Republic Steel Corp. in 1929.

Sees Ex-Party Boss More Vulnerable

Ave Hopes Hall Is Republican Nominee For Governor's Seat, Not Rockefeller

By CHARLES DUMAS

ALBANY, N. Y. (AP) — Chances are the Republicans won't ask his advice, but Gov. Harriman has his own favorite GOP candidate for governor.

The Democratic governor would tell the Republicans they should nominate Leonard W. Hall. He would not favor Nelson A. Rockefeller.

Harriman Confident

Hall is the man Harriman would like to battle in the forthcoming election campaign. Rockefeller is the man he would least like to meet.

Don't jump to any conclusions about Rockefeller, however. It's not because Harriman is afraid he cannot beat him.

The way the governor tells it, at least, he can lick any Republican opponent.

Hall and Rockefeller — the men at the top and bottom of Harriman's list — are regarded as the front-running contenders among a large field of undeclared Republican candidates.

Harriman has not expressed his preferences publicly. But he has done so privately on so many occasions that they are well-known among persons on the political scene.

Ties Him to GOP Record

What Harriman likes about Hall is that he was Republican national chairman for four years.

As Harriman sees it, this ties Hall to the record of the Eisenhower administration and makes him vulnerable to all sorts of attacks on national issues.

If Hall is the candidate, Harriman will try to tag him with some of the blame for the business recession. He will hit him with the farm price-support issue and criticize him even for the federal government's conduct of foreign affairs.

As a former New Deal-Fair Deal cabinet officer and world-traveled diplomat, Harriman feels right at home in debating national and international issues. That's why he wants Hall.

Old Family Friends

If Rockefeller were the candidate, the gubernatorial campaign surely would be dubbed "The Battle of the Millionaires." Both men are immensely wealthy.

They are old family friends. A couple of years ago, Harriman "nominated" Rockefeller at a political dinner in Albany—a smiling admonition to Republicans: "Don't forget Nelson."

Actually, because Harriman and Rockefeller are friends, the governor would rather meet someone else. He would be reluctant to attack Rockefeller. He feels he would not be able to conduct the kind of slam-bang campaign he has been planning.

Harriman has a bit of the same feeling—far less pronounced—for one of the other potential candidates, Assembly Speaker Oswald D. Heck. He professes real affection for the jolly, rotund "Ozzie."

He would much prefer to tangle with the other legislative boss, Senate Majority Leader Walter J. Mahoney. Harriman-Mahoney relations have been icy at best.

Craves Dewey Match

While Hall is Harriman's favorite, the Republican he really craves to tackle appears to be not a bit interested — former Gov. Thomas E. Dewey. Dewey's name is not discussed.

But Harriman thinks he could beat Dewey, too, and thereby boost his stock as a potential candidate for president in 1960.

Other Democratic leaders would rather leave Dewey out of it. After all, he beat them three times straight. No point in tempting fate.

Cardinal Gains Is Still Serious

ROME (AP) — Samuel Cardinal Stritch showed a slight improvement today but still was in serious condition.

"The condition of the cardinal is stationary with a tendency toward improvement," said the brief bulletin from his doctors.

The 70-year-old cardinal Roman Catholic archibishop of Chicago, suffered a stroke that partially paralyzed him three days ago. He had been recovering from the amputation of his right arm April 28, the result of another blood clot which threatened him with gangrene.

Dr. Filippo Rocchi of the Vatican medical staff said the cardinal had rested well during the night and had been able to take a little nourishment. There were no signs of the slight fever he had Wednesday and he was able to receive communion more easily this morning.

His speech still was limited to a whispered yes or no to questions. But Dr. Rocchi said the prelate had passed the initial "preoccupying" phase of the cerebral thrombosis.

Dr. Rocchi did not explain his terminology but the doctors had indicated earlier they considered the first 48 hours after the stroke —now past—as an especially critical period.

Paltz Jaycees Elect Officers

Eldon S. Johnson was elected to the presidency of the New Paltz Junior Chamber of Commerce at the regular monthly meeting held Monday at Harmony Inn.

Other officers elected with Johnson are: Ralph Amsen, vice president; John Center, secretary; James Ashton, treasurer; Donald Otis, state director; and Albert Schrieber, director.

Johnson succeeds Ralph Dennis, who was charter president. Other charter officers who served for the New Paltz Jaycees' first year are Albert Denys, vice president; Howard Lebas, secretary; Ralph Amsen, treasurer; John Metzler, state director; Edward Lee and Eldon Johnson, directors.

It was voted to assist the Elting Memorial Library in conducting the Library Fair in August. It was also voted to actively participate in the Hudson-Champlain celebration slated for October, 1959, by spnsoring a harvest queen and entering a float for the parade.

Final plans were made for attending the New York State Jaycee Convention in Jamestown, May 23, 24 and 25. Representing New Paltz will be Mr. and Mrs. Ralph Dennis, Mr. and Mrs. Howard Lebas, and Donald Otis.

Outgoing President Dennis said in his year-end report that the local chapter completed 15 projects during the first year. The need for new members was emphasized in order for the chapter to take on work to be done in the coming year.

Gambling Link Is Seen in Death of Two Upstate Men

SYRACUSE, N. Y. (AP) — The deaths of two business associates within a two-month period could be linked to local gambling operations, Police Chief Harold F. Kelly says.

The deaths, at first attributed to heart attacks, are under investigation. The widow of one suspects the two were poisoned.

Kelly made the statement Wednesday night after Mrs. Isabell Andrews told him her husband, the late George D. (Goose) Andrews, 52, was involved in the Treasury balance numbers operation in the city.

Andrews died last Feb. 3. His friend, Wallace J. Minaker, 54, died March 31.

Mrs. Andrews said neither man had a history of heart trouble. Dist. Atty. Arthur W. Wilson opened the investigation after Mrs. Andrews conferred with him Tuesday.

Kelly met with Mrs. Andrews Wednesday. He said he had ordered the police crime laboratory to conduct tests to determine whether there was poison in Andrews' stomach at the time he died.

Kelly said he believed that Mrs. Andrews was "sincere in her suspicions."

Troy Methodists Take Up Business

ALBANY, N. Y. (AP)—The Troy Methodist Conference turned to business today after devoting most of the opening day Wednesday to the women.

More than 600 delegates from 352 churches in Vermont, western Massachusetts and eastern New York gathered for the first of a series of business sessions that will continue through Sunday.

On Wednesday, Mrs. Anna Arnold Hedgeman, a Negro and an aide to Mayor Robert F. Wagner of New York City, challenged the women to burst through the barriers of race and color in their communities.

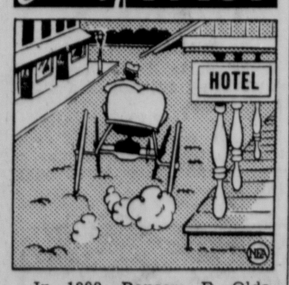

Addressing the Woman's Society of Christian Service, Mrs. Hedgeman urged the members to maintain contact with groups representing Negroes, Puerto Ricans and those on the "other side of the fence."

Wednesday night, the Rev. Clair E. Carpenter of Lake Placid, conference necrologist, preached the sermon at a memorial service for 15 persons who had died during the last year—7 ministers, the wives of 2 ministers and 6 widows of ministers.

Never Lived on a Dole

The Seminole Indians in Florida have never lived on a dole They have always refused any assistance the government offered them.

Matter of FACT

In 1899, Ransom E. Olds, who had been building engines for farm equipment and experimenting with an automobile, found the streets of Lansing, Mich., too rough and bumpy to test and demonstrate his car. He moved to Detroit, where he built the first factory in the U.S. devoted to manufacturing autos and thus started Detroit on the way toward becoming the automobile center of the world.

KINGSTON, NEW YORK, MAY 22, 1958

ENTITLED TO A HEARING

An interim report of Acting Investigation Commissioner Arthur L. Reuter charged 30 of the 54 officers of the Kingston Police Department with being involved in indictable crimes and other misconduct. This was disclosed last March 5 and here it is the end of May and no action has been taken.

Since the disclosures a cloud of suspicion has been hanging over all the police officers of the local department. What about the dependable, self-sacrificing police officers who are doing a faithful and efficient job? Aren't these men to be considered? Why latch onto every possible excuse to avoid giving the accused a hearing?

Policemen are people and they should be treated as such, politics to the contrary and notwithstanding.

The Reuter report also contained charges against Deputy Police Chief Robert F. Murphy. Since a new chief is to be selected, why in all fairness hasn't a departmental hearing been held for the deputy police chief? He denies the allegations in the report and stands ready to face his accusers.

It is well to remember that Governor Harriman ordered the state investigation following a probe by an Ulster Grand Jury of irregularities in the police department. This local probe resulted in the sentencing of one patrolman to Dannemora, other potrolmen drawing lesser sentences and several being suspended. As a result of this local action, the department lost 12 men.

It would seem that this challenge to law and order, with certain police officers on the wrong side of the law, was met by the district attorney's office, the grand jurors and other local officials.

It is time that members of the Kingston Police Department were given a chance to clear their names. Let's have no further shenanigans.

SOME HOPEFUL TRENDS

Before the recession became an unmistakable fact last year, we had undergone quite a long spell when the trends were mixed. The tendency had been still to call it a boom, but there were soft spots and the edges were shaggy.

Now the stress is the other way, but that odd mixture continues to exist.

Personal income levels, generally rated the most reliable index of purchasing power, rose a bit in March and April despite heavy unemployment totals. Chain store business edged ahead of 1957 figures. Steel output, still far below capacity, nevertheless reached its highest measure since March of 1957.

Best of all is the fairly well sustained rise in farm prices, which conversely were plunging gloomily during much of the boom.

The bright patches seem to be widening. When the big dark area of unemployment starts to grow lighter, then we'll really be back in business.

MEMO TO A BOY

This is a note to the boy—he was 15 or 16, perhaps—who whizzed through an intersection on a bicycle a few days ago and almost shook hands with death. The boy won't remember the incident; he is not even aware that there was an incident.

A ball game on the corner lot had caught the boy's attention, and his head was turned to the right as his bicycle entered the cross street. He didn't see the car bearing down, a bit too fast, on his left; he didn't see it skid to a jarring stop. He didn't even hear the screech of tires, because just then someone made a hit and the yells from the ball game were all he heard.

That boy is alive today, but no thanks to his alertness. We say to him, and to all the others who love the sensation of zipping along on motorized wheels: Look both ways at the intersections. You're too young to shake hands with death.

Not for many years has a governor been elected six times running. Michigan's G. Mennen Williams, who has won his last five elections, announces that he will try this fall for a sixth. If he wins, he is bound to be seriously considered for the Democratic presidential nomination.

'These Days'

By GEORGE SOKOLSKY

ADAM CLAYTON POWELL, JR.

When an ordinary, white person is indicted for an offense against the law, he hires a lawyer and takes his chance on his day in court. Adam Clayton Powell, Jr., member of the House of Representatives, preacher of the largest Negro church in the world, graduate of three American universities, has been indicted for tax evasion. He may or may not be guilty. That will be decided in a federal court. Should he lose he will have the right to appeal the same as anybody else. It is not a racial question.

In the 1956 election, Adam Clayton Powell, Jr., who had been a Democratic leader in New York City and who has been elected to Congress as a Democrat, chose to leave his party and to support President Eisenhower. That was his choice and every American is free to make whatever choice he desires. He was not excluded from the Democratic Party; he voluntarily announced his opposition to its candidates for the Presidency and favored the opponent of his party. Whether this included a deal on the income tax case cannot be proven one way or the other.

At any rate, the Democrats decided that he no longer belonged to them. It was not a racial question. It was a matter of being a mugwump. It has long been established in American politics that a mugwump is not supported by his party. Therefore the Democrats in New York decided that they would no longer have Powell on their ticket.

It was no secret to them that during the very days when the Democratic County Committee in New York was considering this question and reaching a decision, certain Negro Republican district leaders in Harlem were demanding that the Republican Party nominate Powell for Congress. The Republicans refused. That refusal had nothing to do with the fact that Powell is a Negro. It does have to do with the fact that he is a mugwump and therefore politically unstable and secondly that he was under indictment, about to be tried and that the trial might result in embarrassment to the Republican Party. He was rejected by the Republicans before the Democrats threw him over.

The Democrats knew what was happening at the meetings of the Republicans and were ready, if the Republicans nominated Adam Clayton Powell, Jr., to call it a deal. As a matter of fact, Powell's indictment took 14 months to obtain from the grand jury, resulted in the resignation of the Assistant United States Attorney who handled the case because he regarded the political pressure to which he was subjected as unseemly and unethical, and nearly produced a run-away grand jury action.

There are two sides to prejudice and discrimination. One is the side of the person of a minority group who attributes every act against his person as an act against his race. This is a form of Uncle Tomism in reverse. Actually there are white as well as Negro income tax evaders; Protestant, Catholic, Jewish and atheistic income tax evaders; gangsters who evade income tax payments and honest folks who make obvious errors in their reports. Some violations involve moral turpitude; others involve only the law. The income tax is bad law which must be badly administered and therefore results in voluntary and involuntary violations.

It would have been better, for everybody, had the Powell case not been delayed, giving the impression that Powell supported Eisenhower as part of a deal. It would have been better for the Negroes of this country if Powell did not relate his race to his personal problems.

Adam Clayton Powell, Jr., went to the Bandung Conference which was organized by Soviet Russia to stimulate opposition to the United States against the peoples of Asia and Africa. He did a splendid voluntary job for the United States there.

I thought, at that moment, that this man had matured and that he would take his place in American life with such outstanding Negroes as Ralph Bunche, Jackie Robinson, Marian Anderson, Lena Horne, Hulan Jack and many others who are respected for their abilities and as human beings, not as members of this or that race. Powell, however, has reverted to racial politics and demagoguery. It may get him a vote but it will do the Negroes of this country nothing but harm. It takes courage to take the blame for one's own errors. Powell apparently lacks that courage.

Meals Can Bring Health and Companionship for Oldster

By MARIE DAERR

Half a loaf often is better than one—if you are an older person living alone.

So says a nutritionist whose specialty is older people's eating habits.

"If you live alone swap a half-loaf of bread for a half-can of corn with that older person who lives down the hall," she says. "It's good for the budget—and it makes for variety.

"Best of all, why not occasionally sit down with that neighbor and share a meal? Food tastes better when you have company."

Eat at least one good hot meal a day, is this nutritionist's advice.

"Try eating it in a cafeteria or a restaurant once in a while," she suggests. "You might even find yourself sharing a table with another live-aloner who would be delighted to have a chat."

If you must eat alone at home, don't let yourself get into a rut. Make an "occasion" of at least one meal a day with a bright tablecloth, your best china. Or, if you feel like reading a book or watching TV, fix a pretty tray and take it into the living room with you.

"Too many older people get into the snack-instead-of-a-meal habit," this expert warns. "Remember, if you don't eat well, you lose your pep and your interest in living."

Many older people are inclined to go too heavy on cereals, breads and fats and don't eat enough milk, eggs and meat. The latter are protective foods and belong in the day's menus.

Include at least two glasses of milk in your three meals a day. If you don't like to drink milk, use it on cereals, in casserole dishes, in puddings.

And, if you think you can't chew a raw vegetable with your "store teeth," try it grated—plain or in a molded salad.

Citrus fruit is another daily requirement. Ever try a punch of equal parts milk and orange juice? Takes care of two important foods in one tasty drink.

Q—My husband has retired at age 63. He has paid in the maximum for Social Security, which he will receive in two years. Does he have to pay in any more during the period before his 65th birthday?—W. F. D.

A—No.

Q—My wife and I are receiving the full amount of Social Security. I also get a pension from my company and I receive payments from an annuity. Are these considered earnings? Or am I still allowed to earn $1,200 a year from a part-time job without any effect on my Social Security?—J. R.

A—Income from savings, interest and dividends, rental of personal property, profits from investments, private pensions and annuities doesn't affect your Social Security. You may continue to earn $1,200 a year.

New Glory

Washington News

BY PETER EDSON
NEA Washington Correspondent

WASHINGTON (NEA) — It's pretty early to start speculating about presidential possibilities for 1960. However, such speculation goes on actively in this town all the time, and can't be ignored.

Results of the 1958 congressional and gubernatorial elections this November may change considerably the starting line-up for two years later. But the field of presidential and vice-presidential possibilities today numbers at least 30—about evenly divided between the two parties and it's anybody's race.

While President Eisenhower told his press conference that the Republicans had plenty of good material, it's a strain to name more than one top candidate for the presidency.

THAT ONE, OF COURSE, is Vice President Richard M. Nixon. Barring some unexpected accident, the nomination is his. It is only if he stubs his toe, or in the selection of a vice-presidential candidate to run with him that the GOP has any contest that is at all interesting.

Five cabinet members have been mentioned as backstops. They are Secretaries of Defense McElroy, Treasury Anderson, Interior Seaton, Labor Mitchell, and Atty. Gen. Rogers.

So far, no one has suggested that Secretaries of State Dulles, Commerce Weeks, Agriculture Benson or Postmaster Gen. Summerfield run. The newly nominated Secretary of Health, Education and Welfare, Arthur S. Flemming is smart enough, but isn't well enough known for consideration.

Atty. Gen. William P. Rogers is the same age as Nixon, 45. Handsomest of the lot, he is worth watching in future races if he doesn't make it this time.

Secretary James P. Mitchell has the advantage of being a Catholic, in case the Republicans want someone to run against young Sen. Jack Kennedy of Massachusetts.

Secretary Neil H. McElroy is a late-comer, a successful businessman, non-political type Republicans sometimes go far.

Secretary Robert B. Anderson is another cabinet strong man, quiet and able, but not a political extrovert.

None of this group has ever been elected to public office, though Secretary Fred A. Seaton served part of one term as an appointed U. S. senator from

IN THE PRESIDENT'S official family, Ambassador to the U.N. Henry Cabot Lodge Jr., and Assistant to the President Sherman Adams are only long shots.

Sen. William F. Knowland has to be elected governor of California and Gov. Goodwin S. Knight of that state has to be elected senator before either can be considered to have any further national political future.

Harold Stassen is likely to consider himself presidential material again whether he does well in the Pennsylvania governorship primary this month, or not.

Republicans haven't as many gubernatorial candidates for the White House as the Democrats. One reason is that the Democrats have 29 governors, to the Republicans 19. Only two of them have ever been given any consideration—Knight of California and Gov. Theodore R. McKeldin of Maryland.

Sen. Everett M. Dirksen of Illinois once had presidential ambitions, but he still has his mark to make as GOP Leader in the Senate in the next two years.

SOMEBODY ALWAYS pays a deserved tribute to House GOP Leader Joe Martin of Massachusetts by wanting him for president, but that's as far as it gets. He and Dirksen are the best if not the only GOP possibles in Congress.

Finally, there is still ex-Gov. Thomas E. Dewey of New York, for whom President Eisenhower once said there was a great future in the party. Mr. Dewey has expressed no recent interest in being a political candidate again.

But for speculative purposes, a presidential race between ex-Governor Dewey and ex-Gov. Adlai Stevenson of Illinois would be an interesting consolation prize run-off. Both have been twice nominated and twice defeated.

Such a contest might drive groaning voters away from the polls by the millions. It's characteristic of the lack of really outstanding candidates in both parties.

What the Republicans always hope for is some new figure that no one has thought of before, to lead them to victory.

So They Say..

We're not going to accommodate the (auto) industry by striking to deplete their inventories. They can't make us strike.
—UAW president Walter Reuther.

* * *

We must, of course, have strategic air power....But to match the technical advances of the Soviet bloc by pyramiding these forces by sheer weight of numbers....is to invite disaster.
—Rear Adm. H. C. Bruton, warning that oversized bomber force might provoke Russia into preventive war out of fear.

President Backed in Appeal For Wage-Price Restraint

By DAVID LAWRENCE

WASHINGTON — When the President of the United States speaks on the business outlook, he has at his disposal information gathered from reliable sources. Particular significance may be attached, therefore, to Mr. Eisenhower's latest summing up of the present business situation. He says:

"Reports from the country strongly indicate that the economic decline of recent months is slowing down. Not all our economic troubles are over by any means. But there is a change in the making. That it will prove to be a change for the better, I have no doubt . . .

"No single person, no single group, however wise and well-informed, can name the day or the week when that upturn will begin. But there is reason to believe that much of the adjustment, which a free economy experiences from time to time, has already occurred."

Started a Year Ago

The readjustment really began more than a year ago. It started slowly but gained momentum toward the end of 1957. During the first few months of this year, however, the respective appraisals of what actually had happened prompted many politicians in Congress to predict dire consequences unless the government started to spend profusely. The net effect of such talk was to generate more fear.

Today, the country is suffering from two major pains — the readjustment of economic forces themselves and the psychological effect of "recession" talk. There is no valid objection to the reporting of the news of a recession, but exaggerations and misrepresentations by politicians just to enhance their own position are open to severe criticism as a destructive influence at this time.

Many people have postponed purchases of new cars, for instance, because they fear their working hours may be curtailed or their jobs may be lost. Until confidence in the future comes back, purchases may be deferred no matter how attractive the prices.

Key to Confidence

What will produce a renewed confidence? Washington is as much a key to this as are the business leaders themselves.

Political parties are more than ever in need of self-examination. They claim credit for prosperity and they try to impose blame on each other for recessions. But the simple truth is that, in an uncontrolled economy, organized greed produces the recessions. It is the lack of self-discipline which brings maladjustments. The government is supposed to keep hands off the economy, but the net effect is to let private groups run the economy into the ditch. There was a recognition of such hazards in President Eisenhower's speech on Tuesday in New York when he said:

"The American people believe in good wages, both in private and public employment. Good wages reward effort and build markets. But the American people are going to be looking over the shoulders of those sitting at every bargaining table. They want to see whether the wage settlement and subsequent price decisions are consistent with a stable dollar, or whether they mean another dismal sequence of ever-rising costs and prices.

"Inequities in the wage structure must, of course, be adjusted. But consumers are not going to be satisfied with less and less value per dollar of price, which is the inevitable result of less and less production per dollar of cost.

"I am quite certain, if business men and labor-union leaders forget these truths, the consumer will remind them in ways that are clear and painful. And in the process the whole economy will suffer. These are not theoretical considerations. They have a direct hearing on specific industries today."

Role of Government

This situation is an outgrowth of the irresponsible tactics of organized groups. Apparently only by "recessions" or "readjustments," with human suffering through unemployment, does a free economy learn its lessons. For, while the President may exhort and exhort, realistically there is no immediate restraint possible except by wage and price controls. Yet this would be considered today as unwarranted intervention by government in the economy. Government nevertheless regulates credit supply through the Federal Reserve system. Government, moreover, through anti-trust laws, forbid price-fixing by corporations. But government today closes its eyes to monopolistic practices by labor unions that have the effect of fixing prices. This tends to reduce substantially the profits on which the government itself is dependent for tax revenues.

Can public opinion be mobilized to persuade the politicians that they can help prevent recessions by doing away with industry-wide economic powers bestowed on private groups? Perhaps not soon. But it will have to be done some day if there is to be an avoidance of an economic collapse. And out of such a catastrophe could come demands for state socialism and for the end of free unions.

Today's Business Mirror

By SAM DAWSON

NEW YORK (AP)—The still rising cost of living plagues more people than its strange stable mate, the slowdown in industrial output.

And President Eisenhower has warned a gathering of leading industrialists against going along with the theory that just because prices have kept rising steadily for so long "the consumer is not price conscious anymore."

He also has reminded them that the nation's great economic strides in the past were due to "the daring of this nation's businessmen in pricing for volume and taking their chances on profits."

Others have gone much further along this road than the President.

Some Blame Industry

Some have criticized the pricing policies of industry, holding that liberal wage raises were handed out freely because management felt prices could be hiked without any protest from the consumers.

Some doubt if the industrial recession will be licked until the cost of living comes down enough to let people buy again.

The government's consumer price index, due shortly, is expected to show another rise, with food prices still high and the cost of services continuing its slow but steady rise.

But cracks in the price structure are beginning to show. They have come in industrial materials which many companies can get now for less than they had to pay a while back.

Arrange Better Prices

Lately, weakness in sales volume has brought some changes. There have been a few price cuts, but mostly the price concessions have taken the form of discounts or the dropping of extra charges or cutting the costs of services.

At the retail level lower prices, when they happened, were mostly at the expense of the merchant's profit margin or in special sales promotions. Consumers have found that shopping around often turned up bargains.

Most makers of consumer durables have insisted that sales weakness for their products hasn't been due to higher prices. But the search for other reasons hasn't been entirely convincing either.

So perhaps President Eisenhower was saying more than just a truism when he reminded his businessman audience that "a price policy designed to bring increasing volume should be nothing short of an article of faith for every business man."

Signs That Are Different

In Spain the highway signs do not read simply "Stop" and "Go" and "Slow." Some traffic signs also read "Interesting view ahead, so go slow."

Critical After Fall

WASHINGTON (AP) — One of the thousands of high school seniors sightseeing in Washington fell from his hotel room to a concrete sidewalk four floors below today.

The youth was Philip Johnson, 18, of Florence, Wis., one of 36 Florence High School pupils on a tour here. He was in critical condition.

Johnson shared a room at the Ebbet Hotel in downtown Washington with three classmates. He slept on a cot by an open window.

Large Attendance Expected at Paltz Alumni Reunion

An unusually large attendance is expected at the 1958 reunion of the Alumni Association of the State University Teachers College at New Paltz Saturday, on the College campus.

Registration for returning alumni will begin at 11:30 a. m. in the College Union Building, and the reunion luncheon will be served at 1 o'clock. At the luncheon, to be presided over by Alumni President Martin Kennedy, special recognition will be given to the classes of 1948, 1933, 1908, celebrating their 10th, 25th and 50th anniversaries. President of the College, Dr. William J. Haggerty will also address the group.

Other features of the day include the Alumni-Varsity baseball game, and open houses at sororities and fraternities. In addition, special invitations have been issued to the Class of 1933 to visit the home of Rodney Jones, and to the Class of 1938 to gather at the home of Miss Henriette Wicks.

Luncheon reservations may be obtained by writing or telephoning the Alumni Office at the college.

Paltz Road-Eo Winner Is Named

At the regular mointhly meeting of the New Paltz Chamber of Commerce, held on Monday, Phillip Rappleyea, chairman of the recently run Teenage Road-Eo presented awards to Thomas Pine for placing first with a total of 410 out of a possible 500 points.

Also presented awards were Kenneth Abramson, for placing second and Peter Rooney for placing third.

Rappleyea explained that Pine will be sent by the New Paltz Jaycees to the New York State competition at Mitchell AFB on Long Island, July 19. Other entrants who participated in the driving contest are Lisbeth Tucker, Bruce Aston, Peter Dayger, Alan Elsbree, and Fred Schindler.

Rappleyea emphasized that there are no losers in a contest of this type as each contestant indicates by his or her participation that they are interested in developing safe driving habits.

Sale Indicates Shift

WASHINGTON (AP) — The United States is issuing licenses for the sale and shipment of about half a million dollars worth of small arms to the Indonesian government, State Department officials said today.

Officials said the department has decided that the arms, suitable for police work, would not alter the balance between the government and rebel forces.

Diplomats speculated that the change actually indicates a shift of U.S. policy toward Indonesia where the anti-Communist rebellion had aroused considerable sympathy in Washington.

Shipboard Romance Leads to Marriage

NEW YORK (AP)—The romance of a contractor and a former school teacher bloomed on a world cruise and led to marriage aboard ship. The couple saved the upper two layers of their wedding cake for a country club reception back home in Buffalo.

The reception will be for George Walker, 70, and the former Mrs. Herbert J. Vogelsang, 52, both of whom were widowed.

The couple, who arrived yesterday on the liner Caronia, plan to spend a few days here before returning to Buffalo.

The Walkers, who had met only once in Buffalo before embarking Jan. 21 on the Caronia, became seated at the same table in the dining salon.

Walker, who proposed marriage Feb. 3 off Rio de Janeiro, told newsmen on the couple's arrival here: "It was a moonlit night, and I took advantage of the natural beauties."

They were married on the Caronia in Bombay, India, with the captain, Andrew MacKellar, the U. S. consul and an Indian registrar taking part.

Lumber Industry Leads

The lumbering industry leads all other types of manufacturing enterprise in Mississippi despite the fact that it also leads all other states in the production of long staple cotton.

Prominent Educator At Columbia Dies

NEW YORK (AP)—Dr. H. Bentley Hobart, 48, prominent educator and Columbia University official, died yesterday at St. Luke's Hospital. The cause of his death was not made public.

Dr. Hobart was instructor in educational administration and acting executive officer of the institute of adult education at Columbia Teachers College. He was appointed to both posts last year.

He had been on the Columbia staff since 1954.

Dr. Hobart, a native of Boonville, was a graduate of Mercersburg Academy at Mercersburg, Pa., and Hamilton College at Clinton, N. Y. He received his master's and doctor's degrees at Columbia.

He began his career as a coach and science teacher at Lyons Falls High School and was appointed supervising principal in 1934.

He lectured at New York University in 1937 and from 1938 to 1940 at Oswego State Teachers College.

Jaycees to Open 25th N. Y. Meet Upstate Friday

JAMESTOWN, N. Y (AP). — The New York State Junior Chamber of Commerce will hold its 25th annual convention Friday and Saturday. About 1,000 members are expected to attend.

Fred Clark Scribner Jr., U. S. under secretary of the Treasury, will speak at a luncheon Saturday. The group will elect a president to succeed Edward F. Select of Amherst, a Buffalo suburb.

Plan Films for TV

HOLLYWOOD (AP) — Four Star Films, Inc., today announced plans to produce 28 million dollars worth of television films for the 1958-59 season.

The company is owned by actors Dick Powell, Charles Boyer and David Niven.

Four Star has 312 half-hour television films in preparation for six different series.

The firm produces Dick Powell's Zane Grey Theater, Trackdown, Richard Diamond, Private Detective, and First Anthology. New series to be undertaken re Wanted, Dead or Alive and The Rifleman.

To Direct Gifted Pupils

ALBANY, N. Y. (AP) — A high school principal from New York City will direct the state's program to help gifted school pupils.

Dr. Cyril W. Woolcock will take a one-year leave of absence from Hunter College High School, beginning July 1, to coordinate education of the gifted, the Education Department announced Wednesday. He will be paid $10,000.

Woolcock will work with department agencies charged with finding and guiding those pupils who show all-around ability. He also will advise schools throughout the state on special programs for these pupils.

Ask Panama Strike

PANAMA (AP) — Students supported by a committee of mothers and some labor unions today called for a general strike against the government at midnight.

The call was issued as unidentified demonstrators forced traffic off the principal avenues of the Panamanian capital early today.

High school and university students are demanding that President Ernesto de la Guardia Jr. fire Education Minister Victor Juliao, charging he has failed to provide proper high school facilities.

Insurance Sales Up

NEW YORK (AP)—Life insurance companies sold 4 per cent more ordinary life insurance in this year's first four months than in the like 1957 period, the Life Insurance Agency Management Assn. reports.

April sales of ordinary life ran 3 per cent ahead of April 1957. This was an improvement over March, when sales were down 2 per cent from a year ago.

Ordinary life is the industry's term for standard individual policies, as distinct from group and industrial insurance.

Over-all life insurance purchases for the first four months were 2 per cent ahead of the same period last year.

Gunman Gets $100 In Holdup at Thruway Station

VICTOR, N. Y. (AP)—A masked gunman staged a $100 holdup at a Thruway service station early today. It was believed to be the first such robbery in the superhighway's history.

The victim was Paul Tracy, 20, of Rochester, attendant at the Seneca service station on the Thruway, a mile east of this Ontario County village.

He said the bandit stepped out of the shadows at the rear of the station about 3 a. m., poked a revolver in his side and demanded money.

Tracy said he gave the man $6 of his own money and between $90 and $100 from the cash register.

The man then forced Tracy into a shed and made him lie on the floor. Tracy said he called state police after he heard the bandit's automobile speed away. A second station attendant, Daniel O'Donnell, 21, of Canandaigua, said he was in the washroom at the time and was unaware of what was happening.

The bandit arrived and departed on the service road in back of the station, not on the Thruway itself.

Truman in Chicago

CHICAGO (AP)—Harry S. Truman arrived in Chicago today and made known in no uncertain terms that he had come to make a speech.

One of the reporters who met him at the train asked what Truman would do in Chicago. Truman replied with a grin:

"I came to make a speech. What the hell do you reckon I came for?"

The former president is billed as the top speaker at a $100 a plate Democratic dinner tonight.

Adlai E. Stevenson, Democratic presidential nominee in 1952 and 1956, will share the speaking honors with the former president at the fund raising dinner.

Indicted in Slaying

PULASKI, N. Y. (AP)—A young Air National Guardsman has been indicted on a charge of first-degree murder in the slaying of a school janitor in Fulton last April 7.

The guardsman, Peter John Butterman, 20, of Fulton, probably will face trial here at the June term of Oswego County Court. The county grand jury returned the indictment Wednesday.

The body of 61-year-old Fred Maude was found in the basement of the elementary school where he worked.

Butterman was arrested April 12 at Hancock Field in Syracuse, where he was stationed.

Mayor Considers 2 Appointments, Cole Is Applicant

Mayor Edwin F. Radel today indicated that appointment of a public works superintendent and a new building inspector are under consideration.

Several applications have been received for the post of public works superintendent the mayor said. Among them is Charles J. Cole, former Democratic alderman of the 13th ward.

Several also have applied for building inspector. The post is held by William H. Swart, of 247 Clifton Avenue, who indicated early this year that he intends to resign. Mayor Radel said he hopes to decide soon upon a successor.

Max Oppenheimer, assistant superintendent in the public works department, has been acting superintendent since the resignation last of Ernest A. Steuding, who held the post for many years.

Steuding left here to take a similar post in Newburgh. He left the latter city before the end of last year and recently has been employed by the Walter Truck Co., in the Albany area.

Mayor Radel is also due to make an appointment to the Board of Water Commissioners before the end of this month and to the Municipal Civil Service Commission by June 1. Another appointment is due by July 1 to the Board of Education.

Segregations Hit Southern Baptists

HOUSTON, Tex. (AP) — Southern Baptists were under attack today by Texas segregationists who accused the denomination of fostering race-mixing trends.

A flood of literature, bearing the imprint of the State White Citizens Council, was distributed among the approximately 15,000 representatives to the denomination's annual convention.

The material cited the Scriptures seeking to show segregation was ordained by God. The printed charges also claimed that Baptist publications have an increasing integrationist content.

Several church leaders described the material variously as distorted, inaccurate or unfair.

At Wednesday night's sessions in the Houston Coliseum, many of the delegates read copies of the derogatory matter during the program.

A report on the racial situation calls for closer Baptist communication and fellowship with people of every race and nationality.

Re-election of Rep. Brooks Hays (D-Ark) as convention president was considered by some as a victory for those favoring brotherly Southern Baptist relations with other churches.

Hays, a long-time church lay leader and a veteran House member, was re-elected overwhelmingly.

Regarding race relationships, a keen issue among Southern Baptists, Hays has taken a moderate stand and has played a conciliatory role in his home state of Arkansas.

British Costs Up

LONDON (AP) — The Ministry of Labor said today the British cost of living index jumped 2 points—to 110—between mid-March and mid-April. The index is based on prices of January 1956 as 100. The jump was attributed mainly to rising food prices.

Direct Calls for Toronto

TORONTO (AP)—The first direct long-distance telephone dialing system in Canada will begin Sunday in the metropolitan Toronto area.

Toronto callers will be able to dial directly to telephones in a large number of communities in southern Ontario and Michigan. Special equipment will automatically record time and charge.

A Bell Telephone Co. spokesman said Ontario centers connected with the Toronto dial-it-yourself equipment include Barrie, Hamilton, Kitchener, Lindsay, Niagara Falls, Oshawa, Ottawa, Peterborough, St. Catharines, Welland and nearby smaller communities.

Only Toronto subscribers will be able to make the calls.

Six million people are employed in plants producing materials and supplies for farmers.

Perlman Claims Trains are Vital To U. S. Economy

ALBANY, N. Y. (AP)—The president of the New York Central Railroad said today trains are still the country's most efficient form of transportation and are essential to its economic well-being.

Alfred Perlman told Central stockholders that railroads have been the victims of government policies that have "cried to high heaven for correction for more than a generation."

Earnings Are Nil

"And the most encouraging thing about the railroad industry today is that now, finally, it looks as if something will be done," he said.

Perlman's remarks were made in an address prepared for delivery at the annual stockholders' meeting in the Palace Theatre.

The railroad has not earned a penny so far this year.

Perlman said legislation has been introduced in Congress that "would go far toward modernizing our obsolete transportation policy."

No Monopoly Now

Perlman listed the basic cause of the economic plight of almost all the country's rail carriers as "obsolete regulation designed to curb a monopoly when the monopoly has ceased to exist."

To this problem, he said, has been added "the frantic race of governments at all levels to outdo one another to provide tax-free facilities in the form of highways, airways, waterways and terminals for the railroads' competitors."

Perlman said:

"The concept today that the railroads are obsolete is dangerous to our national well-being.

"The Russians realize that in their race to match and then outstrip the West they must make the most of the most efficient form of transportation they possess, their railroads. And that is just what they are doing," he went on.

The stockholders were to be given a treat today by the railroad—a movie. Entitled "The Big Train" it was put together by the Central's public relations department.

Chaplain Hits

timony taken by the jury and his staff had disclosed that 30 officers of the 54 on the force "have been involved in indictable crimes and other misconduct."

A review of that report is presently being made by Corporation Counsel William A. Kelly to determine a recommended course of action by the Board of Police Commissioners.

Other speakers last night included Msgr. Joseph F. Connolly, pastor of St. Philomena's Church, town of Uister; the Rev. Dr. Frank Lawrence Gollnick, Protestant chaplain of the department; Alderman-at-large Harold Kaye, and Officer William Slover, president of the patrolmen's association.

Praises Qualities

Msgr. Connolly, a student of Msgr. Drury's during his preparatory education for the priesthood in New York City, traced his 36-year friendship with the police department chaplain and praised him for his qualities of "discernment, interest and charity."

He lauded Msgr. Drury's contributions to the civic life of the community, his work as president of Benedictine Hospital and his "indicated spirit to help the police department when the organization was in trouble."

Msgr. Connolly commended his student-teacher relationship with young men preparing for the priesthood and said all of Msgr. Drury's qualities characterized those of a very fine priest.

'Noble Soldier of Church'

The Rev. Dr. Gollnick lauded the Catholic chaplain for his "alacrity of spirit" and described him as "a noble soldier of the church."

Officer Slover, in presenting the association's gift to Msgr. Drury, said the department chaplain "has been a pillar of strength in the community."

but an honor to the community" and indicated his pride on being associated with the department.

Praised for Leadership

Alderman-at-large Kaye, representing Mayor Edwin F. Radel, who was unable to attend because of a previous commitment, praised Msgr. Drury for his spiritual and civic leadership.

Rabbi H. Z Rappaport, of Congregation Agudas Achim, also unable to attend, telegraphed his congratulations and best wishes to the monsignor.

Toastmaster Dick McCarthy introduced a number of national, state and local police officials including:

Guests Present

Jack Lupton, Federal Bureau of Investigation; Lt. Kenneth E. Weidenborner, New York State Police; Peter Keresman, secretary of the New York State Police Conference, and Police Commissioners Henry Singer, Robert Evory, Lawrence Quilty and Henry P. Eighmey.

Also introduced were Chief Van Buren; Deputy Chief Robert L. Murphy; Surrogate Judge Charles H. Gaffney, who also serves as attorney to the patrolmen's association, and Joe Kelly, city editor of The Freeman.

A gift also was presented to Msgr. Connolly by Officer Slover, in behalf of the association, for his recently-established parish in the town of Ulster.

In a note of levity, Officer Slover presented a pair of policemen's gloves to Msgr. Drury for use "in helping to direct traffic near St. Mary's Church," of which the monsignor is pastor.

Dinner Committee

The dinner committee included Officer Slover, chairman, and Officers Albert Hutton, Leonard Ellsworth, Louis Sapp Jr., and James Burns.

Association officers include Officer Slover, president; Officer John Crespino, vice-president; Officer Hutton, secretary; Officer Bernard Fowler, treasurer, and Officer Charles McCullough, financial secretary.

The invocation and benediction were delivered by the Rev. Dr. Gollnick, pastor of Trinity Evangelical Lutheran Church.

Glusker Pleased If His Stand Is Prejudice Cure

Mayor Eugene Glusker of Ellenville said today that if his action in bringing the fact of discrimination in the village fire department into the open "and curing it" had been successful that he was delighted.

His comment was in reply to an inquiry by The Freeman in connection with a statement from the Republican majority of the village board carried in yesterday's paper.

The Republican statement, signed by Jerome. Elkin, recognized the problem of discrimination on the selection of members of the Ellenville Fire Department but took exception with the manner in which Glusker had publicized it.

Glusker said today that "if I was successful in bringing it out and curing it I would forego any future political ambitions and consider my term of office as a complete success."

Rosendale

Democratic Club Holds Meeting

The regular monthly meeting of the Town of Rosendale Democratic Club, Inc. was held in the Grange Hall Monday. Vice President Arthur O'Leary presided in the absence of President John J. Foley.

The by-laws were read for the second time and several amendments were again proposed. Chairman William P. Curran, assisted by Wilfred Doolittle, Henry Mollenhauer and Mrs. Frances McKeown will make a study of these changes and will report at the next meeting.

O'Leary appointed former Mayor John J. Mooney as chairman of a Democratic dinner-dance planned for the near future. He also appointed William P. Curran as sergeant of arms for the June meeting.

A discussion was held on the necessity of four election districts instead of the present three districts.

Discussions were also held on the Rosendale railroad station closing and Henry Mollenhauer explained how important it was to keep the station open. Members were encouraged to attend the hearing in the Kingston Courthouse May 29, starting at 10 a. m.

Mayor Catherine A. O'Leary announced that on June 5, at the Village Hall, Main Street, Rosendale, free inoculations will be given to all dogs needing rabies shots. Since all dogs must have these inoculations, Mayor O'Leary urged dog owners to bring their dogs in and take advantage of this free offer. Mayor O'Leary also read a letter in regard to the Cerebral Palsy Drive and the members approved a donation.

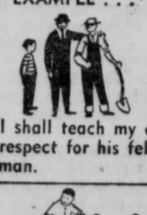

Town Supervisor, George A. Mollenhauer, who is also a trustee of the Library Association, reported at the meeting that a strawberry festival would be held on the library grounds June 18 for the benefit of the library fund. He also announced that a fair would be held in August to assist the library fund and several of the members offered their services.

Two new members were welcomed into the club.

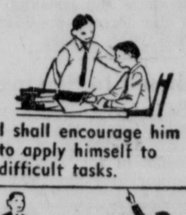

Hostesses were Mrs. Walter Born and Mrs. Monroe Coddington of Tillson and Mrs. A. B. Einemann of Rosendale. The next meeting will be held on Monday June 16, at 8 p. m. at the Grange Hall. Election of officers will take place at this meeting. Hostesses will be Mrs. Clinton Mushlit and Mayor O'Leary.

The Panhandle, so-called because of its shape at the top of Texas, is an area larger than Pennsylvania.

A FATHER'S TEN COMMANDMENTS---
BY MY EXAMPLE . . .

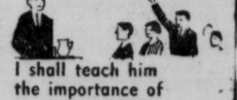

1 I shall teach my child respect for his fellow man.

6 I shall encourage him to apply himself to difficult tasks.

2 I shall teach him good sportsmanship in work and play.

7 I shall teach him the importance of participation in community affairs and local government.

3 I shall instill in him an appreciation of the family, the backbone of society.

8 I shall teach him self-reliance and help him develop an independent spirit.

4 I shall strive for companionship and mutual understanding.

9 I shall help him develop a sense of responsibility in planning for the future.

5 I shall impart to him a desire to love and honor his country and obey its laws.

10 I shall, above all, prepare him for the duties and responsibilities of citizenship in a free society.

SOMETHING TO THINK ABOUT—Father's Day, on June 15, will climax a special Father-Child month beginning May 15. But the list of commandments above, suggested by the National Father's Day Committee, might well be observed by fathers—and all adults—the year 'round.

Action Settled Against Hospital In Crash Case

An action brought by Thomas J. Walsh against Vassar Brothers Hospital, Poughkeepsie, and Charles M. Sickler, ambulance driver, for negligence arising out of a collision between the Walsh car and an ambulance at Highland on June 13, 1956, has been settled.

At the time of the accident the ambulance was conveying Jess Puccio and Josephine Puccio of Highland to the hospital from an accident which had just happened near Marlborough.

Between the Highland bridge circle and the Mid-Hudson bridge the ambulance, operated by Sickler, crossed a white line on the highway into the north-bound lane and was in collision with the Walsh car which was proceeding up grade toward Highland. It was raining heavily at the time.

Following the accident the driver of the ambulance, Sickler, was charged with operating the vehicle while under the influence of an alcoholic beverage.

Actions were brought by Jess Puccio for injuries and for the death of his wife. Those actions were tried in Supreme Court in March 1957. Walsh was named as a defendant in those actions.

Verdicts totaling $95,000 were returned against the hospital and its driver and Walsh was absolved from blame for the accident.

Later Walsh brought an action against the hospital for negligence. That action has now been settled.

Walsh, a resident of Poughkeepsie, was en route to Auburn at the time of the accident.

FLYINGEST WOMAN — With more than six million miles in her flight log and a fast new airplane bearing her name, Mary O'Connor, of Chicago, merits the title as the world's "flyingest woman." Mary began her career as a United Air Lines stewardess on May 18, 1933. Her first flight was aboard a 10-passenger Ford Tri-motor between Chicago and New York. Today, 25 years later, she "keeps house" in a specially designed twin-engine plane which cruises at 270 miles an hour.

Science-Math Conference Is Set at Oneonta

Twenty-five elementary teachers of New York State will be selected soon to attend a six-weeks science and mathematics institute at Oneonta State Teachers College, sponsored by the New York State Department of Education, from June 30 to August 8.

Dr. James A. Frost, dean of the college, announced that the 25 teachers, who are to be chosen to attend this intensive session on current mathematical and scientific developments and techniques, will be granted an allowance which will provide for their tuition fees, board and lodging.

He said that due to the strong interest in the fields of science and mathematics that elementary teachers interested in attending the special summer program should write immediately for application forms to Dr. John A. Brown, director of Oneonta Institute.

Admission will be restricted to those elementary educators who are certified to teach in New York State, and who are employed as teachers in the public elementary schools of the state, he said.

Optimism Sweeping Algeria

By DAVID MASON

ALGIERS (AP) — Optimism as intense as the brilliant Mediterranean sunshine is sweeping through the streets of Algiers.

"Algeria is saving France," acclaim splashy posters along the palm-lined avenues.

The desperate slogans of the 3½-year fight against Arab nationalists — "Algeria must remain French"—are virtually lost in the flood of events since the stunning defiance of Paris here nine days ago.

Success Is Key

The quick success of the bid for power by disgruntled generals and French settlers has given their leaders a heady sense of mission: to shock France into wiping out its bickering, blundering political system and again make the nation a vigorous world power.

Long-time students of the complex Algerian question find it difficult to see where it all will end. Confusion heaped upon paradox obscures the immediate future.

Some pressing questions have emerged from what is now being called "the Revolution of May 13." That was the day civilians rioted against the possibility that new Premier Pierre Pflimlin might seek negotiations to end the Algerian war. The riots led to establishment of military-civilian juntas throughout Algeria which seized governmental authority in defiance of Paris.

Won't Secede

The questions are:

1. If Algiers cannot force political changes on Paris, will Algeria secede from France?

The answer appears to be no.

2. What has happened to the Arab rebellion?

The Algiers Committee of Public Safety, which is running the show in the capital, claims fighting has virtually stopped and the rebels are rallying to it. Independent information seems to confirm at least the first part of this. A high-ranking officer in a hotspot of eastern Algeria said rebel troops are retiring into the interior, apparently to await new orders.

Denounces Maneuver

(A Geneva newspaper quoted rebel leader Ferhat Abbas as denouncing the committee, calling it a maneuver of right-wing extremists. Abbas said the rebel National Liberation Front — the chief fighters against the French in Algeria —would never accept negotiations with any authority other than the "legal and legitimate government of France.")

3. What about the startling and apparently spontaneous show of unity between Arabs and French which has occurred since May 13?

Hundreds of Arabs have been turning up for the nightly speeches by junta leaders in downtown Algiers. No one appears to know why — not even the Arabs themselves. They obviously have been caught up in the general excitement which has electrified the population.

Saugerties...

to feed nickles to overtime parking meters of out-of-town cars. The nickles would be made available by the Chamber or merchants.

Chamber President George E. Thornton appointed a committee to study the matter. The committee headed by Edward Feldmann, includes Raymond S. Quackenbush and Barclay Van Tassel.

Paricipation of the Chamber in sponsoring a trophy and the appearance of the new Miss Saugerties at the Saugerties Trot at Saratoga Raceway August 21 was approved. A special trotting event entitled "The Saugerties" is run at the raceway each year.

Report on Pageant

Mrs. Joan Feldmann, chairman of the Miss Saugerties Pageant committee reported that 14 Saugerties young ladies have filed their intention to partcipate. She also outlined the timetable for pageant and said her committee is currently waging a fund campaign to purchase a large prize for the new queen. The committee also plans to sponsor a trip to New York City for the new Miss Saugerties to be crowned at the coronation ball June 26 at the Flamingo Restaurant.

A committee including Donald Beckert, chairman; John Offermann, Irving Dreishpoon, Supervisor Williams and Richard Smith were appointed to study the needs of the new edition of the Saugerties classified business directory.

Smith, representing the Jaycees announced the features of the Jaycee sponsored July 4th celebration and asked for the cooperation of the businessmen. He pointed out that a $3,000 budget was set up to provide a $700 fireworks display and awards for floats. The parade is expected to display 90 units, 20 floats and eight bands.

Whites—Top quality (48-50 lbs) 38-40½; mediums 35-36; smalls 28-28½.

Browns—Top quality (48-50 lbs) 40½-41½; mediums 38-39; smalls 35½-36½.

Financial and Commercial

NEW YORK (AP)—Steels continued active as the stock market widened its gains in brisk trading early this afternoon.

Gains of fractions to around a point were posted by key stocks.

Another jump in the cost of living to a record high, bringing with it automatic pay boosts to thousands of workers, was a market factor.

Steels, rails, aircrafts, base metals and oils did well.

Indications from some steel industry spokesmen that there would be a price boost and industry's increasing output from very low levels were news elements accompanying the rise in steels.

Market analysts said, however, that an important factor in the rise of steels was the "squeeze" on short sellers. There has been a big boost in the short position of the leading steels. Short sales are sales of borrowed stock made in the hope the stock can be bought at a lower price and repaid. The continued rise in steels has thus put pressure on the "shorts" to cover their sales before a sustained price advance brings them heavy losses.

U.S. Steel, Republic Steel, Lukens Steel and Youngstown Sheet all rose about a point and Bethlehem added a fraction.

Inspiration Copper showed a net fractional loss as it halved its dividend.

Gains of about a point were made by American Tobacco, Kennecott, International Nickel and Caterpillar. Also higher were General Motors, J. I. Case, North American Aviation, Curtiss-Wright, Sinclair, Union Carbide and American Cyanamid.

U.S. government bonds advanced.

Quotations by Morgan Davis & Co., members of the New York Stock Exchange, 63 Wall Street, New York City, branch office, 41 John Street, R. B. Osterhoudt, manager.

Labor Parley Is Still in Session This Afternoon

Negotiations between contractors and Local 17, Laborers and Hodcarriers, were still in progress early this afternoon at Hotel Kingston.

Meeting with representatives of the Ulster County General Contractors Association and union leaders was a committee named Tuesday at a session of Ulster-Sullivan Building Trades Council.

This committee is seeking to mediate difference between contractor and labor.

It was announced today that there would be a meeting of the membership of Local 17 at Odd Fellows Hall, 4 Brewster Street this evening at which time a report of negotiations to date will be presented.

Three Are Hurt In Traffic Mishaps

Two persons were injured in a Pine Street collision and a woman reported injuries after she was struck by a car on Broadway yesterday.

Lilyan Parnett, 43, of 17 Sharon Lane, reported injuries of the mouth and right knee after the Pine Street mishap, and Ruth Dunn, 48, of Tillson, said she suffered injuries of the left side. They were to be treated by doctors.

Police said Ruth Dunn was driving west on Pine Street, near St. James Street, and the Parnett car was headed in the opposite direction. Officers Guernsey Burger, Jr., and William Whalen investigated.

Lorraine VanKleeck, 28, of 78 O'Neil Street, said she suffered an injury of the right leg, when she was struck by a car backing out of a driveway near 710 Broadway. She said she was treated by a doctor. Owner of the car was unidentified.

Hidden Alcoholics

CHICAGO (AP)—The alcoholic no longer is represented by the figure slouched on a bar stool. A research study indicates that the nation's five million chronic alcoholics are of the hidden type —hidden from recognition by family, friends and supervisors. The analysis for an encyclopedia shows that alcoholics are hidden by their ability to present a fairly normal appearance of personal and social recognition. Consequently management and labor are enlisting psychiatry and programs built around Alcoholics Anonymous to help discover and treat the addicts among two per cent of the United States' industrial workers.

Couple Looks Toward Retirement, With Good Prospects for Future

ROGER E. SPEAR

N., Ohio, writes, "My wife and I own our own home, have paid-up life insurance, $11,000 in cash savings and governments. We hold American Telephone, American Tobacco, Gulf Oil, American Brake Shoe and shares in a local telephone company. I am facing retirement in a few years with no other income than Social Security, dividends and interest. My wages permit me to buy moderately from time to time. Would you suggest adding to my American Telephone or American Tobacco? We need retirement income and would welcome any suggestions you may make.

I am very happy to make suggestions. You have laid a good foundation for retirement, more so than most men that I encounter. Your backlog of savings is adequate and I should not disturb it, unless additional income becomes absolutely imperative. Your stock holdings are excellent on the whole. American Telephone is probably the safest income producer on the Big Board. The $9 annual dividend has been a fixture since 1922. Because of political considerations there is little likelihood that this payment will be increased, and as far as you are concerned there is no growth ahead to offset continued inflation. I would hold but not add to present commitments.

American Tobacco is a very sound stock which has been held back in recent years by recurring medical criticism of cigarette smoking. The stock lately has been showing increased resistance to such criticism. In the post-war years AT sold on a very much lower yield basis than its present 6% level. The company has a generous dividend policy and some improvement in payments is altogether possible by next January. I believe you would be justified in increasing your holdings in this situation.

Gulf Oil Heavily Dependent On Mid-East

Gulf Oil is one of the best of the internationals. Although it does a tremendous domestic business, about a quarter of its earnings last year derived from Canada and Venezuela and over 40% were obtained from the Mid-East. This year maybe 70% of net will come from the latter source. Almost half of crude requirements come from Kuwait, an independent sheikdom on the Persian Gulf. This is one of the richest oil reservoirs in the world and Gulf's reserves here are so huge that they really can't be estimated. The risk in this stock is entirely political in nature. Gulf is very volatile and when the Mideastern situation looks settled, the stock moves up and vice versa. Cash dividends are low but these have been supplemented in recent years by stock payments with a cash value of $4-$5 per share.

Hold Gulf by all means, if your nerves are very steady. If you prefer to lessen the price risk of a Mid-East blow-up, I would switch holdings to Standard Oil of New Jersey, recently yielding 4½%. Here, because of the magnitude of operations, earnings from the Mid-East have less importance than for any other international oil with the possible exception of Royal Dutch. Both Gulf and Jersey Standard are excellent growth holdings. I favor the latter because its world-wide supremacy in most areas of its business makes it one of the finest growth holdings on the New York Stock Exchange.

American Brake Shoe May Cut Dividend

American Brake is a very good company in its class. I consider it speculative because (1) it does its major business with the railroad and automotive industries, both relatively depressed. (2) Earnings have been hurt badly. For the six months ended March 31, 1958, net fell to $1.50 a share from $3.85 a year earlier, a decline of 61%. It is evident that the $0.60 quarterly dividend is not secure and the $0.50 extra paid in the past two years is almost certain to be dropped. If business does not improve sharply, and there is no sign yet that it will, the annual rate on this stock might be cut to, say $2. I definitely feel this is a good cyclical stock and a good long-term speculation, but that it is not a stock to hold against future retirement. I suggest that you switch holdings into Marshall Field, biggest Chicago department store. This stock is listed, sells around the same level as Brake Shoe and yields 6.5% on a $2.25 annual rate that seems secure.

Meyner Stumbles

Democratic Gov. Robert B. Meyner of New Jersey, who would like to be the 1960 Democratic nominee, stumbled over a coalition roadblock in his efforts to win the chairmanship of the conference. Southern Democrats and conservative Western Republicans gave the plum to Democratic Gov. Leroy Collins of Florida.

This helped Collins in his obvious bid to become a compromise representative of the South on a 1960 Democratic ticket that would avoid any showdown stand on the school segregation issue.

Two Outshine Others

In the Democratic ranks, Governors Abraham A. Ribicoff of Connecticut and Averell Harriman of New York generally were credited with outshining their colleagues. Neither is considered presently available for the 1960 presidential nomination.

Gov. A. B. Chandler of Kentucky said that after looking over the field of availables, he is not at all embarrassed to be running openly for the 1960 nomination.

On the Republican side, there was an admitted lack of presidential talent among GOP governors. They seemed generally to take it for granted that Vice President Nixon will be their party's 1960 nominee.

Blueberry Pie Is Fine Decoration Day Standby

By GAYNOR MADDOX
NEA Food and Markets Editor

A perfect blueberry pie—the kind mother or grandmother used to make—plus lots of ice cream ready to top it with, is a happy formula for Decoration Day, or Memorial Day, at home. When friends drop in over the long holiday, it's nice to have a standby welcome for them such as blueberry pie a la mode and coffee.

Here's Hanna Lundgren's recipe. She a fabulous cook in the old-fashioned way. Fresh blueberries are just coming in, so let's start the season off with her pie.

Hanna's Perfect Blueberry Pie a la Mode (Yield: 6-8 servings)

One quart fresh cultivated blueberries, ¾ cup sugar, lemon juice, 1 2/3 cups flour, 2 teaspoons sugar, dash salt, 1 cup shortening, 4 tablespoons ice water.

Wash fresh blueberries, drain throughly in colander, sprinkle with ¾ cup sugar and squeeze fresh lemon juice over top to bring out flavor. Set aside. Sift flour, sugar and salt into mixing bowl. Add shortening and cut into flour, gradually adding ice water and mixing with pastry blender until well mixed, If time permits, chill dough in refrigerator for awhile for easier handling. Divide dough in two parts. Roll out half on floured board until thin enough to cover sides and bottom of 9-inch pie plate. Prick bottom with fork and bake bottom crust for 10 minutes at 400 degrees. This prevents berry juice from soaking through crust and making soggy pie. Cool bottom crust about 10 minutes while rolling out remaining dough and cutting into strips. Fill bottom shell with sweetened blueberries and place strips around edge of plate to seal crusts. Bake no longer than 20 minutes at 400 degrees.

TOMORROW'S DINNER: Tomato juice, salmon loaf, mustard-dill sauce, boiled new potatoes, fresh snap beans, rye bread, butter or margarine, fresh blueberry pie a la mode, coffee, tea, milk.

FOR A Decoration Day open house, this old-fashioned blueberry pie (with ice cream) is sure to make guests feel at home.

Jobless Claims Drop, Still Far Over 1957 Total

NEW YORK (AP)—Unemployment insurance claims in the state fell by 4,500 last week, but the figure was 90 per cent above a year ago.

State Industrial Commissioner Isador Lubin said Wednesday that last week's figures showed 436,600 insured jobless persons. He said the drop in claims was concentrated Upstate, while in New York City claims rose 2,700 to 243,400.

The figures also showed, he said, that 4,140 persons, a new high for the year, received final unemployment insurance checks last week.

Benefit payments of nearly $11,600,000 for the week brought the cumulative total since last Jan. 1 to $210,800,000 For the same period a year ago, the total was $111,000,000.

UAW, Clergymen Discuss Aspects Of Pact Demands

DETROIT (AP)—The United Auto Workers held a daylong meeting with seven prominent clergymen Wednesday to discuss the ethical and moral aspects of the union's new contract demands, including its profit-sharing plan.

The clergymen are members of a panel invited last December by American Motors Corp. to weigh the ethical and moral principles involved in the then-upcoming negotiations between the UAW and that company.

The clergymen said in a statement incorporated in the union report of the meeting only that they appreciated the opportunity for such a meeting.

Chief spokesmen for the UAW were President Walter P. Reuther and Leonard Woodcock, vice president and director of the union's General Motors Department. The discussions covered all major auto company negotiations now in progress.

Clergymen attending the conference included: Rabbi Morris Adler, Detroit; the Rev. Robert Francis Allen, Detroit; the Rev. Cameron P. Hall, New York; the Rt. Rev. Msgr. George G. Higgins, Washington, D.C.; Dr. G. Merrill Lenox, Detroit; Rabbi Eugene J. Lipman, New York; and the Rev. G. Paul Musselman, New York.

ALBANY, N. Y. (AP)—Dr. W. Cecil Johnston is the new director of the Dannemora State Hospital for the Criminal Insane.

Johnston, 55, was appointed Wednesday to the $9,866-a-year post to succeed Dr. Francis C. Shaw, who died April 6. Johnston will take over June 19.

He has been assistant director of the Matteawan State Hospital at Beacon since 1949. He joined the state penal system in 1933.

Bring Summonses

NEW YORK (AP) — Chicken feathers have Jack Mintz in an extremely ticklish situation.

Mintz, a live poultry dealer in Brooklyn, got two summonses in five minutes Wednesday. Caught in the swirl of the city anti-litter drive, he was accused of littering the sidewalk in front of his shop — with chicken feathers.

Mintz pointed out that chickens, crated for market, can't be too cooped up on a truck. So what happens? The wind blows, and feathers fly all over the street.

That's all very true, agreed Special Patrolman William Wilkening, but how about that thick accumulation of feathers in the bottom of Mintz's truck? Wilkening advised Mintz to clean his truck, and the coops inside his shop, after every trip.

Mintz said that was impossible; he'd have to move to much larger quarters. Fowl play or no, he still has the summonses.

Airline Bares Near Collision With Other Jet

WASHINGTON (AP)—Capital Airlines said today an Air Force jet bomber narrowly missed colliding with a Capital airliner over Ohio Wednesday night.

Capital identified the bomber as a B57. There was no immediate comment from the Air Force. The Capital plane, a Viscount jet prop, landed safely at Baltimore about 1½ hours later with its crew of 4 and 15 passengers.

The incident occurred a day after a Maryland Air National Guard jet fighter rammed a Capital airliner near Brunswick, Md., killing 12 persons.

Capital headquarters here confirmed a report from Cleveland that a near collision had occurred over northwest Ohio about 40 miles south of Toledo.

Airline officials said Capt. Jesse Bradford of Baltimore reported his airliner was flying east toward Washington at 19,000 feet when a B47, apparently dropping down to land, suddenly crossed within 500 feet of his plane.

The airliner was en route from Chicago to Washington and Baltimore.

Reports Clashes Between Tunisian AndFrenchForces

TUNIS, Tunisia (AP) — Tunisian President Habib Bourguiba said today French planes dropped a bomb on the airport at Gafsa and that clashes are taking place between Tunisian and French forces in the Gafsa area.

Speaking to the nation in his weekly radio address, Bourguiba also said French and Tunisian troops were face to face at Remada, where a clash took place a few days ago which led to an exchange of protests between France and Tunisia.

"We would prefer that the question of the evacuation of French tropps from Tunisia be regulated in a friendly manner," Bourguiba said, "but we fear that we will no longer find anyone in authority with which to discuss the problem."

Bourguiba said the bombing at Gafsa took place Wednesday and the fighting started there this morning. Gafsa is in south-central Tunisia, about 25 miles from the Algerian border.

The airfield in question is apparently occupied by the French, and one which Bourguiba has asked the French to evacuate.

ThruwayIncome Over '57 Level

ALBANY, N. Y. (AP)—The State Thruway, doing better than ever, grossed a record $7,512,895 in the first four months of 1958.

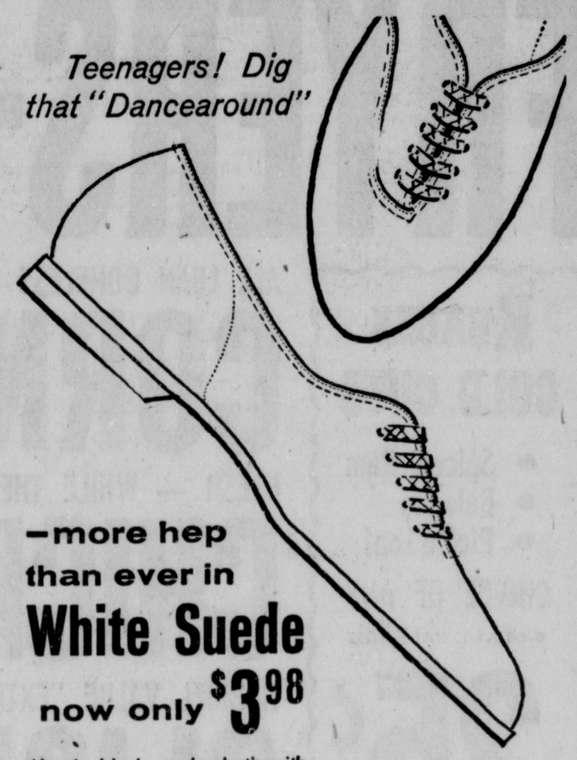

The Thruway Authority, in reporting the figure Wednesday, said the January-April total was more than 10 per cent above proceeds for the corresponding period last year. April income, $2,451,282, was more than 16 per cent above April, 1957.

Most of the income is from toll collections. The rest is from sale of annual permits and from restaurant and service-station concessions.

Will Head Commission

SCHENECTADY, N. Y. (AP)—Dr. Carter Davidson, president of Union College, will head the colleges and industry commission of the Assn. of American Colleges.

The commission coordinates the work of regional groups that raise funds in business and industry to support higher education. Davidson's appointment as chairman was announced Wednesday.

Rejects Service Bid

ALBANY, N. Y. (AP)—The Public Service Commission today rejected Westchester County's bid to stop the New York Central Railroad from abandoning passenger service on its Putnam Division.

The commission refused to reconsider its decision of March 8, which authorized the railroad to drop passenger service on the division June 1 and to boost commuter fares by 7 per cent and multiple-ride fares by 7½ per cent immediately.

The county had asked the commission to postpone the effective date pending further arguments against the move.

The PSC held that testimony at public hearings showed there was only limited patronage on the Putnam Division, which runs from Putnam County into New York. The PSC said that, since there is alternate service on the Hudson and Harlem divisions, operation of the Putnam Division no longer was necessary.

Votes Jobless Funds

WASHINGTON (AP) — The Senate Fiance Committee today approved a House-passed bill authorizing the federal government to advance money to the states for a temporary extension of unemployment benefits. The vote was 11-4.

Chairman Harry F. Byrd (D-Va) said the anti-recession measure, endorsed by the Eisenhower administration, will be brought up for action in the Senate next Tuesday.

The committee rejected by a 10-4 vote a substitute proposal of Sen. Paul H. Douglas (D-Ill) to liberalize the emergency measure and to strengthen the unemployment insurance system on a permanent basis.

Genther Case Put Off Week

Christopher Genther, 22 of 22 Hillcrest Avenue, arrested Tuesday on a charge dealing with unauthorized communication with a prisoner in the women's detention section of the county jail, pleaded guilty before Special City Judge John J. Schick today, and the case was adjourned a week for imposition of sentence.

Authorities said that Genther had tried to talk with a young woman from the outside of the jail after he was warned to stay away. The arrest was by Carl Cline of the sheriff's department. Genther is under $100 bail.

John J. Ferran, of 332 Central Avenue, Brooklyn, who was issued a summons charging speeding Sunday, found guilty after trial, was fined $25. Attorney Hubert A. Richter appeared for him and John E. Gotelli represented the district attorney's office.

Youth Slays Girl, Also His Rival

ALBION, Neb. (AP) — An honor student and the daughter of a prominent farm family died in a burst of gunfire Wednesday night from the rifle of a rival for the girl's attention.

The shots that shocked this town of 2,132 population were fired by Kermit Keeshan, 17. His father William is a former county attorney and mayor in Albion.

Keeshan tried to kill himself with a bullet in the head after he killed Jerry Sherwood, 18, and Diane Zaruba, 17. He is expected to recover.

Young Sherwood, whose father Lynn is a former school board president, was killed at the rooming house where Diane stayed while in school.

Diane was slain despite the bravery of housewife Mrs. Frank Svoboda, who said she didn't have time to get scared as she tried to keep Keeshan from Diane.

Deputy County Atty. Ray Medlin Sr. said Keeshan, carrying a .22 rifle, found Jerry with Diane.

President Orders Special Study on Air Collisions

WASHINGTON (AP) — President Eisenhower today ordered his Air Coordinating Committee to make a special study aimed at eliminating midair collisions "to the maximum degree."

The White House said Eisenhower's action was prompted by the collision in Maryland Tuesday of an Air National Guard jet and a commercial airliner. That crash took a dozen lives.

To Meet Investigators

At the same time, Eisenhower arranged to confer later in the day with two House members who are members of a committee investigating the Tuesday crash.

Rep. Prince Preston (D-Ga) said he and Rep. Cliff Clevenger (R-Ohio) got word from the White House that Eisenhower would see them (at 3:30 p.m. EDT).

Preston and Clevenger are the top members of a House Appropriations subcommittee which was rebuffed by federal air officials Wednesday night on a subcommittee stopgap plan aimed at halting civilian-military air crashes.

Headed by Quesada

The subcommittee voted to take the issue directly to Eisenhower. Preston said a White House aide, Jack Anderson, came to his office this morning with word of the appointment.

Eisenhower's Air Coordinating Committee is headed by retired Air Force Lt. Gen. Elwood R. (Pete) Quesada.

Pigs' Feet Footpad

TUCSON, Ariz. (AP) — Tucson police are having trouble with the pickled pigs' feet burglar. The burglar broke into a tavern, ate an entire jar of pickled pigs' feet and left. A week later he broke into another tavern, took $125 in cash and left behind four well-gnawed pickled pigs' feet.

WALLKILL NEWS

School Holds Annual Americana Exhibit

WALLKKILL—Seventh grade children of the Wallkill Central School have prepared their annual exhibit dealing with early Americana, specializing in items from this area and projects on New York State. The exhibit began Monday and will continue through May 30. Parents are being invited to see the numerous projects that have been prepared by the children.

The exhibit has been a traditional part of the work in Kenneth Hasbrouck's Citizenship Education classes for the past 10 years. This year the students have taken special interest in the creating of exhibits that they could share with parents and classmates.

Some of the exhibits include: Household items used in the 18th Century, Alayne Haun; Indian items, Susanne Newkirk, Jeanne Becker, Carl Witheral; Borden Home Farm, Linda McCord; Barbare Patent and the forms that were a part of it, Nancy Wilkin; Guns used during New York's History, Henry Dawes, Hugh Crowell, David DelBuono, Larry Martinez; Fashions, Ellen Tozzi, Peggy Noye, Annette Santimagro; Candle making, Peter Kleeman.

Indian relics and reports on clans, Jerry Doolittle, Robert Neuwirth, Thomas Eckert, David White; New York State zoos, Mary Hoyt; Town, Counties, Cities, Edward Mooney, Estelle Cleveland, Candace Agor, Paul Wayman, Leo Wuelfing, Sandra Sabin, Frank Neimith, Linda Pendleton, Kenneth Marvaez; Items made of iron, 18th Century, William Wickner; Old coins, old photographs, Leonard Portuando, Janet Benedict, Kenneth Carr; Apple Industry of Ulster County, Nan Van Duser.

Many other exhibits will be shown. The displays are in themselves a vital part of the learning situation. The research done in the preparation is of utmost importance.

Local Scouts Attend County Camp-O-Ree

Scouts of Troop 76 of this village will attend the Rip Van Winkle Council Camp-O-Ree at Camp Tri-Mount this weekend. Scouts will leave the Scout Cabin no later than 4:30 p. m. Friday and the event will conclude with ceremonies at 2 p. m. Sunday.

Boys attending will bring food for 6 meals and necessary equipment for the camping event.

Transportation will be provided by the Troop Committee members, Addison D. Crowell, chairman.

Any parent having questions should contact Mr. Crowell or E. T. Seely at Wallkill.

Troop 76 has been invited by its sponsoring organization, the Rose-Sheeley Post 1034 to participate in the local Memorial Day ceremonies. They will be represented as a unit in the parade and local ceremonies.

Town to Get $3500 Additional State Aid

A final check of the census report revealed that the Town of Shawangunk would be eligible for an additional $3500 according to an announcement by Supervisor Jesse McHugh. In making this statement, Supervisor McHugh advised that there was an increase of about 900 in the population, which means each additional one will mean $3.55 more to the town in state aid.

At a recent Board meeting, it was announced that a formation of a fourth election district in the town is being considered. A special meeting was scheduled to complete work on the proposal.

McHugh and Town Attorney, Fred Stang will attend a Public Service Commission hearing on the closing of the Wallkill Valley branch of the New York Central May 29 at Kingston.

American Legion Notes

Ulster County Posts and their Auxiliary Units of the American Legion met at the Wallkill Central School Monday evening for a regular monthly county conclave. Refreshments were served following the meetings at the Legion Home.

Entertainment for the evening was an address by Craig Spence, of Kingston, who was the winner of the Americanism Oratorical Contest sponsored by the veterans. He is county, third district, winner, and also top in the State Section and the Eastern Regional Division.

Sunday, June 1, the Auxiliary Unit and the Rose-Sheeley Post members will attend the Wallkill Reformed Church in a body. The date has been designated as Memorial Sunday in Wallkill.

Poppies are now on sale under the direction of chairman, Mrs. Edna Roach. Children of elementary grades of Wallkill Central School have been busy preparing poppy posters and exhibits, which will be on exhibit in local store windows this week. In appreciation of the interest of the children in the poppy program of the veterans, the local unit will present American flags to two grade rooms.

The next regular meeting of the local Auxiliary Unit will be Monday, June 9, at the Legion Home at 7:45 p. m. Mrs. Dorothy Wickes will preside.

RECEIVES MANAGER'S AWARD—Michael Dorso (left), manager of the Community Theatre, receives $25 check from Walter Reade Jr., president of Walter Reade Theatres, as second prize winner for the month of February in the theatre chain's Manager of the Month Contest. Award was made at the Reade Mayfair House headquarters in Oakhurst, N. J., during the managers' recent meeting.

Parley for Rural Church Workers Slated in Ithaca

Plans for a one-week summer school devoted exclusively to the special needs of church workers in areas of under 10,000 population have been announced here by the Rev. Stanley E. Skinner, director of the Rural Church Institute, Ithaca.

The Institute, which is the Town and Country Division of the New York State Council of Churches, will co-sponsor the school in cooperation with Cornell University.

Sessions will be held in Anabel Taylor Hall on the Cornell campus the week of Jun 22-27, with courses for pastors, lay men and women, members and leaders of volunteer choirs, and workers in Sunday, weekday, and vacation church schools.

Interdenominational in teaching approach, enrollment, and faculty, the school will offer three specialized curriculum sections.

Section I covers the general town and country church area through such courses as "Dealing With Family Problems," "A Live Program for the Town and Country Church," and "Future Agricultural Economics of Town and Country Areas as They Affect Our Churches."

Section II is devoted to Christian Education, with workshop classes in curriculum materials, visual aids, music, speech and rhythmic choirs, leadership training, and program financing.

Section III is a choir school, offering classes in choir directing, programs for cherub, junior and senior choirs, ryhthmic choir work, organ music, and voice instruction.

Faculty members will be drawn from the New York State and National Councils of Churches, from Cornell University, and from denominational leadership.

Advance registration should be made with the Rural Church Institute, Anabel Taylor Hall, Cornell University, Ithaca. Tuition is only $5 for the one-week course, with total cost, including room and board, estimated at under $50.

Smoke Signal

ST. CLAIRSVILLE, Ohio (AP) —While the Rev. Mr. J. E. Longsworth continued his sermon, a quiet search of his church was made for the source of a wisp of smoke. It came from an overcoat — in which Clarence Prett had placed his not-quite-extinguished pipe before entering the church.

Stories about men and women are the speaker's stock in trade. In a mixed audience, you can hardly get along without a sprinkling of each. They are sure-fire. When you talk about men, how the women will howl! And vice versa.

A little girl wrote this essay on men:

"Men are what women marry. They drink and smoke and swear, but don't go to church. Perhaps if they wore bonnets they would. They are more logical than women, also more zoological. Both men and women sprang from monkeys, but the women sprang farther than the men."

The barber was cheerful and chatty as he lathered his customer's chin.

Barber—No, sir. I used to give credit, but I don't now. Fact is, hardly anybody asks for it.

Customer—How's that?

Barber—Well, sir, I once had a set of customers who would ask me to chalk it up, but they kept me waiting so long that I got tired of keeping books and started a new system. Whenever I shaved one of them I would put a little nick in his nose, and kept tally that way. It was wonderful how soon they returned to the old plan of paying for each shave at the time.

The customer's voice trembled slightly as his lathered lips moved, and he said,

Customer—Do you object to being paid in advance?

Father had come home early from the office, while mother was still downtown shopping, and little Alice ran to meet him.

Alice — Father, I've been wanting to talk to you about something for a long time when mother's not listening. Come right in here and sit down and listen.

Father — Well, well! What's up?

Alice—Well, father (with all the seriousness a six year old can assume) I don't want you to say anything to mother about it, because she's a dear, and I think she means well, but I don't think she knows much about bringing up children.

Father — Gracious! What makes you think that?

Alice—Well, she makes me go to bed when I am wide awake, and she makes me get up when I am awfully sleepy!

* * *

Mother — Grandma's feeling ill, Billy, so you might go to her room and try cheering her up a bit.

Billy (dutifully)—Yes'm. And trudged off.

A short while later he was back looking discouraged.

Billy—It's no use, mom. I tried, but she only seems to get worse.

Mother—What did you say to her, dear?

Billy—Gosh! I just asked if she'd like soldiers at her funeral.

Minister (meeting the little girl on the street)—What have you there, Betty?

Betty—A dime to buy ice cream soda.

Minister—But why don't you contribute the dime to the missions?

Betty—I thought of that but I decided to buy the ice cream and let the drugstore man get the credit for giving it.

Why We Say--

A SOLDIER: Originally a bachelor was a soldier who couldn't afford to lead a group into battle . . . The word meant a person of inferior rank. For this latter reason, the name was applied to unmarried people because it was thought that they were inferior socially. .

Assumes Chaplain Duties Today at Sing Sing Prison

REV. GEORGE F. McKINNEY

Resident Catholic chaplain at Wallkill State Prison for almost 15 years, the Rev. George F. McKinney today takes up his new duties as chaplain at Sing Sing Prison, Ossining.

Father McKinney was guest speaker for the second annual Communion breakfast of the Altar-Rosary Society of St. Ann's Church, Sawkill, held Sunday morning at the Flamingo Restaurant, Route 9W.

He replaces the late Rev. Thomas J. Donovan, who died in April, in the Sing Sing chaplaincy. His appointment was announced by His Eminence, Francis Cardinal Spellman, who also named the Rev. John Meade from chaplain at Letchworth Village to chaplain at Wallkill.

Father McKinney had been chaplain at Wallkill since 1944.

A former president and present member of the board of directors of the National Correctional Chaplains Association of America, and member of the sub-committee of the New York State Youth Correction Council, Father McKinney discussed juvenile delinquency in his Sunday address before St. Ann's Altar-Rosary Society.

He cited the report of J. Edgar Hoover, director of the Federal Bureau of Investigation, "that in the nation crime is outstripping the rate of growth of the population four to one."

Father McKinney noted that the tendency of the modern critics of youth is to place the blame on various disjointed areas of crime which are brought to public attention by offenses as they occur.

He indicated that "in order to obtain a clearer picture of the present condition of youth," the following should be considered:

1) Lack of proper parental supervision. 2) Religious non-observance. 3) False concept of greatness. 4) Television and unsavory comic books, and 5) Increased use of drugs.

Many of the youthful offenders of today were permitted excessive freedom in the wartime period of World War II, he noted. Father McKinney also said that insufficient time is alloted to formal religious instruction both during school hours and in the important area of the family circle.

He cited the false concept of greatness such as that portrayed by the public idols of today, "particularly true in the field of entertainment." Many popular screen stars, singers and even sports figures display characters and lives that can hardly be termed normal, Father McKinney said.

Television and unsavory comic books also were described as contributing factors. Many programs and periodicals glorify and glamorize in the minds of youth, situations of brutality, crime and violence, he said.

Recent investigations of youth groups involving immoral and unethical acts have brought to light a shocking situation of unlawful traffic in drugs, Father McKinney said.

He cited a report of the New York Department of Correction which showed that of the 45,787 persons arrested in the state for the commission of major crimes in 1957, 11,063 or 24.2 per cent of those crimes were committed by the 16 to 21 year age group.

While the picture is not a pleasant one, it is not hopeless, Father McKinney said. Consistent thought on the part of parents, teachers and community leaders can and will help in the work of youth rehabilitation.

The greatest aid to a strong, moral, national youth group is the personal example of adults, he said.

Arrangements for the breakfast and speaker were made by Miss Alyce Kowalski.

Errant Message

CHICAGO, (AP)—"Viva Zapata! Los amigos de Venezuela." The park district police chief, George Otlewis, reports that is the radio signal in Spanish, which has drowned out the park police's radio reception from 9 to 10:30 a. m. every day for the last four months, will be silenced. A new piece of equipment will stop the reception interference caused by sun spot activity. "Either we get this silencer equipment or we get a translator," Otlewis said. "But this can't go on—my men reply to commands with 'Viva Zapata.'"

New Job for Educator

WASHINGTON (AP) — A former New York school supervisor has been promoted to be director of the school administration branch in the U. S. Office of Education.

Fred F. Beach, a career federal employe since 1945, will receive $11,610 a year in his new post. Beach had been chief of the state school systems section in the branch he now heads.

Before entering federal service, Beach was a school administrator in Amsterdam and Oyster Bay, N. Y., and in Kinzua and Uniondale, Pa.

He served also as supervisor of school finance for the New York State Education Department and as chief project supervisor for adult education in the New York City school system.

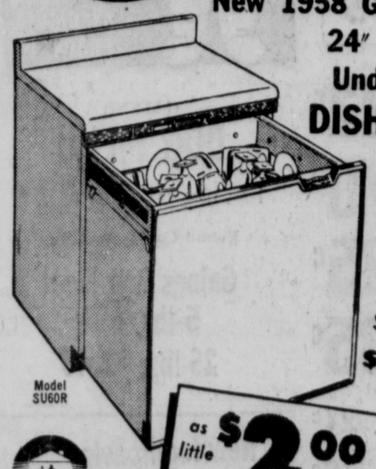

Remodeled Into Night Club

The small chalet formerly occupied by former King Farouk near the Pyramids in Egypt has now been remodeled into a restaurant and night club.

LISA TIANO, Correspondent

Rec Committee Has New Member

Appointment of Charles J. Tiano of Ohayo Mountain Road to the town Recreation Committee was announced today by Supervisor Joseph Fitzimmons.

Tiano, who is sports editor of the Kingston Daily Freeman and president of the New York-New Jersey Baseball League, succeeds Ed Jurist, who resigned.

The committee is now operating with seven members as the result of Jim Nancarvis' illness. The members are: Kermit Schwarz, chairman; Mrs. Robert Greene, Irving Kalish, Frielan VanDeBogart, Marjorie Harder, secretary; Joseph S. Forno and Charles J. Tiano.

The proposed schedule for the summer program at Andy Lee Memorial Field has been approved by the committee as submitted by John Majoros, playground director.

Members of the committee will meet at the recreation field this evening at 7:30 p. m. to survey the facilities for 1958.

The summer schedule broken down into activities and morning and afternoon schedules follows:

(Morning Period)

Arts and Crafts—9 a. m. to 10:30 a. m. for those 6 to 9 years old; 10:30 to 12 noon, 10 to 12 years.

Swimming Instructions — 9:30 a. m. to 10:15, advanced students; 10:15 a. m. to 11, intermediates; 11 a. m. to 11:45 a. m., beginners.

Softball, badminton, table tennis—10 a. m. to 12 noon, available to all children.

(Afternoon Period)

Free swimming—11:45 a. m. to 4:50 p. m.

Archery—1 p. m. to 4:30 p. m. (usually divided into three age groups depending upon attendance at any one day).

Arts and Crafts—2 p. m. to 4:30 p. m., open to children of all ages.

Suggested other activities if personnel is available include story telling, hiking and model building.

Five other projects have been approved by the committee for special periods. The projects and instructors include: dramatics, Eda Crist; playground newspaper, Tobie Gertseema; nature study and hikes, Alf Evers; trout fishing, and model airplane.

Ralph Kricker has volunteered to supervise a class in radio kit construction, if there are enough boys interested.

Gertseema Says Public Opinion Caused Changes

The weight of public opinion has created changes in the political atmosphere of Woodstock and decided two school elections that transcended normal political alignments, Mrs. Tobie Gertseema, Independent member of the Town Board, said in a speech before the Willow-Shady-Lake Hill Taxpayers Association.

Her own election to the board represented the first major political change in Woodstock in 20 years, she said. A former enrolled Republican, Mrs. Gertseema ran as an Independent, with Democratic endorsement last fall.

She noted a change in town board meetings, where public participation was excellent the past several months. She said changes in the makeup of the town Recreation Committee had resulted in new activities appearing on the program for the first time in several years.

Mrs. Gertseema again advocated a regular meeting date for town board meetings. She stressed the need for:

1. Regularly scheduled town board meetings.
2. A healthy political life in the town of Woodstock, which is growing and needs progressive and enlightened leadership.

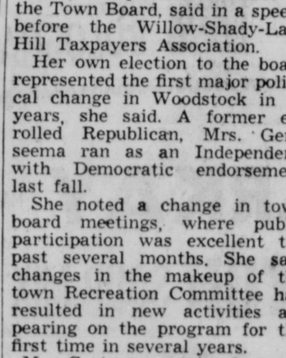

Reiterates Faith

"I will continue to press for regularly scheduled town board meetings," she said, "because I would like to see all of you have a fireside chat with your government once a month that we may come to know each other better. It is by a better understanding of the other's traits that a town and its citizens must fulfill their mutual destinies."

She went on to express the belief that a healthy political life was the only way to responsible government in the township.

"The people are entitled to know where our governmental representatives stand on all issues," she continued. "This may be hard on the politicians when the voters troop to the polls at election time, but the least a man can do is declare himself and tell where he stands."

A question and answer period followed Mrs. Gertseema's speech.

Dramatic Workshop At Onteora Central

Woodstock Dramatic Workshop players travel to Onteora Central School tonight to open a two-night showing of "There's Always a Murder," a comedy-mystery designed to keep the audience in stitches and suspense.

The play is sponsored by the Onteora Parent-Teachers Association with proceeds going to the Scholarship Fund of the P-TA. Performances are scheduled tonight and Friday at 8 o'clock.

Man, 124, Dies

BROWNSVILLE, Tex. (AP)—Father Time has cut down "the man with the ax," whose associates agreed with his calculation that he was born 124 years ago.

Francisco Gomez Marfill, who, if his memory was correct, was born while his adopted Texas was Wednesday of old age.

a province of Mexico, died

Until he became ill six months ago, Gomez Marfill walked about this south Texas city with a single-bladed ax, his trademark, always balanced on his shoulder. He was a wood cutter as late as 1950.

Sourpuss

CHATTANOOGA, Tenn. (AP)—An unidentified man came out of a downtown hotel carrying several hangers of clothes and a pair of shoes. He went to a parked car, placed the shoes on the car roof and laid the clothes on the back seat. Then he drove away, the shoes still on the roof. When last seen he was scowling at other motorists who were honking horns and pointing to the top of his car.

Attendance Heads Of Schools Hold Annual Meeting

The state-wide ninth annual conference of the New York State Attendance Association at the Henry Hudson Hotel, New York City, concluded its three-day conference on Tuesday.

George A. Whitford, attendance supervisor of Kingston city schools, was among the 180 school attendance supervisors and teachers who participated in the conclave, the theme of which was "The Role of the Attendance Teachers in the Pupil Personnel Family."

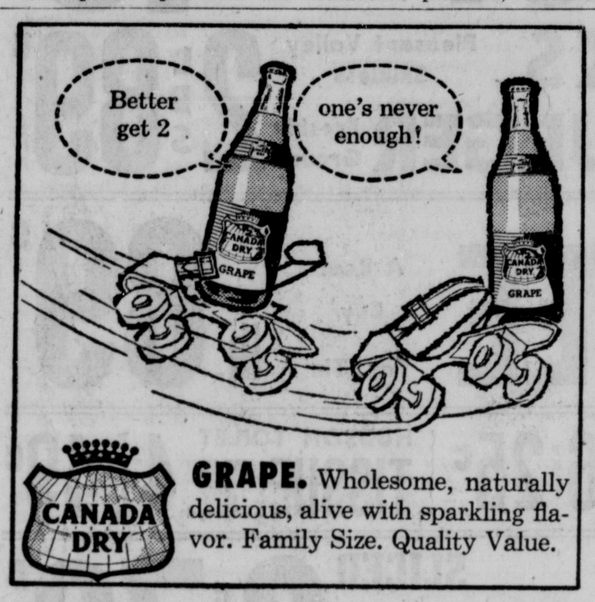

The opening evening session featured a keynote address by Dr. David Salton, Superintendent of Schools, Long Beach, Long Island. Dr. Salton urged study of school, home and community conditions to discover the many causes of unnecessary school absence and chronic truancy.

The speaker presented the keynote of the conference in emphasizing both in the school and between school and community the teamwork approach to meeting pupil mental health and social needs of security, acceptance and accomplishment.

The school pupil personnel service team, composed of attendance, guidance, psychological and health services and services for the handicapped, is and will become increasingly important in the development of child well-being and adjustment.

The New York State Attendance Association's 1958 Children's Champion Award, granted for outstanding contribution to child welfare, was given to State Senator Desmond and State Assemblyman Alonzo Waters, proponents of the recent Waters Law, extending teacher status existing elsewhere in the State to New York City and Buffalo attendance personnel.

Conference speakers and panels considered the objectives of compulsory education and today's children, the most effective service of the attendance teacher in the light of current educational problems, certification for attendance teachers, and the working relationships of the attendance teacher and community agencies, with the latter represented at the conference by officials of child guidance, probation, family service, welfare and law enforcement agencies.

Huguenot Group Meeting Slated At Paltz June 21

The annual luncheon and meeting of members and guests of the Huguenot Historical Society of New Paltz will be held on June 21 at 12:30 p. m. at the Old Fort, Huguenot Street, New Paltz.

Announcements will go out to members, descendants of the New Paltz Patentees and guests in the near future.

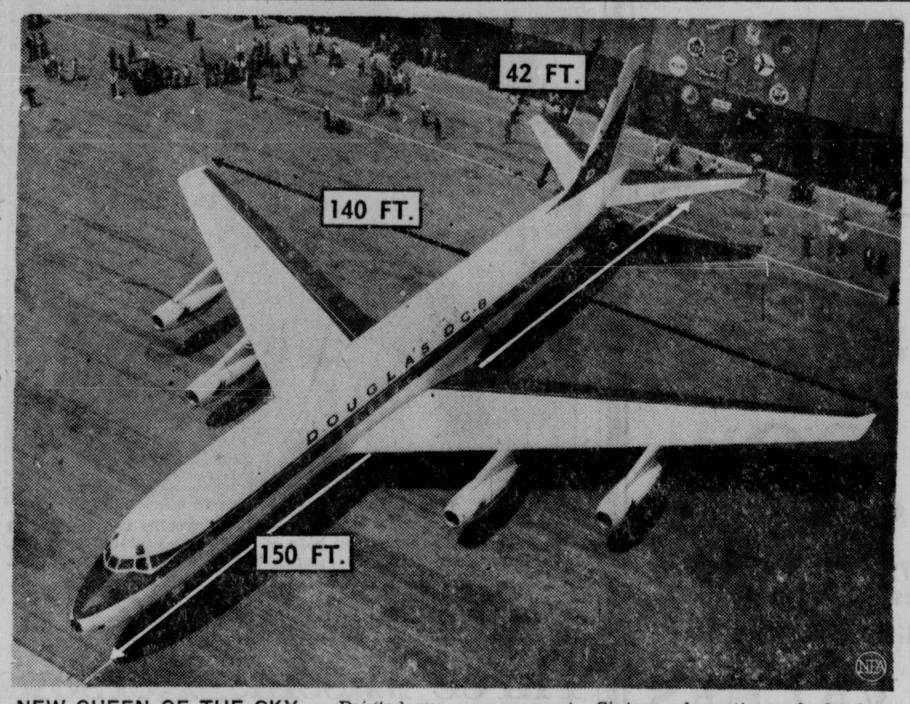

This year will be rather a special year as an Award of Merit will be presented by the office of the state historian. This is the first time the society has been granted such an award and it is hoped that as many members as possible will be present. Other matters of policy will be taken up by the officers with the membership as the time has come when certain changes have to be made. The society has grown in numbers to such an extent and the business of the society has become very time consuming.

Reservations should be made with the secretary, Kenneth E. Hasbrouck, Box 473A, New Paltz, as soon as possible.

Luncheon will be served at 12:30 p. m.

Ships' Laundry

Hoboken, N. J. (AP)—Oil tankers can now be cleaned in 24 hours without a 100-mile trek to open sea, thanks to a new "laundry" service instituted at the Bethlehem Steel Co. shipyards here. Previously, the ships had to steam to a safe dumping ground in open waters. Now, the ship's ballast is pumped to a special receptacle ashore while workmen peel scale off the vessel's inside walls.

NEW QUEEN OF THE SKY — Painted an eye-catching red, white and blue, the first roll-out model of the Douglas DC-8 Jetliner is pictured outside its hangar at Long Beach, Calif. Scheduled for flight tests later this month and delivery to airlines in 1959, the DC-8 is powered by four turbojet engines. It will cruise at 590 m.p.h. and carry between 118 and 176 passengers depending upon the seating arrangement. Sixteen domestic and foreign carriers have ordered 138 of the huge airliners which cost approximately five million dollars each. Among interior items are such things as reading lights, call buttons, fresh-air inlets, tables within reach of passengers and skyview windows. The DC-8 will be able to span the North American Continent in less than five hours on regularly scheduled flights.

Armed Forces Day Attended by 30,000 At Stewart Base

An estimated 30,000 people viewed their air defenses at Stewart Air Force Base on Armed Forces Day, Saturday, May 17, during open house activities conducted under the continuing theme of "Power for Peace".

A five hour program highlighted by an air show, aircraft displays and tours of base installations, lasted from noon to 5 p. m.

The program started with flyovers in T-33 jet trainers and F-86L interceptors, followed by a helicopter demonstration from the Army Aviation Detachment at Stewart Air Force Base. The Orange County Civil Air Partol participated with four of their own light aircraft in a flyover.

In a maximum performance take-off, Lt. James Latta of the 329th Fighter Group, made an afterburner climb in an F-86L to 40,000 feet in six minutes reported over Kingston and returned to Stewart Air Force Base. Capt. William R. Looney of the 329th Fighter Group, made a jet assisted take-off in a T-33 with two 1,000 pound JATO bottles adding thrust to the flight.

Fisherman, 67, Was in Woods

Three Missing Persons Back, Sheriff Reports

The case of the three missing persons—an elderly Le Fevre Falls woman, a 67-year-old Kingston man and a six-year-old Connelly boy—had a happy ending during the night.

Mrs. Otto Lang, about 70, who has occasionally wandered from home, turned up at a police station in New Jersey. She had gotten there by bus.

Joseph Nosowich, 361 Albany Avenue, for whom an intensive search was conducted in the Ashokan reservoir area throughout the night, returned home about 6:30 a. m. today. He said he had gone fishing but got lost in the woods.

Howard Scherer, 6, son of Mr. and Mrs. Edwin Scherer, also the object of an intensive search, was found sleeping in an upstairs closet of their Connelly home.

Missing Since Noon

Mrs. Lang's disappearance was reported about 5 p. m. Wednesday by a neighbor, Mrs. Elizabeth Cassidy, who told the sheriff's office that Mrs. Lang had not been seen since noon.

Sheriff Claude Bell, Undersheriff Clayton W. Vredenburgh, County Investigator Arthur Brown and Deputy Sheriff Benjamin Newkirk made an intensive search of the Le Fevre Falls area.

They discovered, after checking with neighbors and residents of the area, that Mrs. Lang had been seen in Kingston. Further investigation disclosed that she had purchased a bus ticket to New York City at the Adirondacks Trailways terminal on Broadway yesterday afternoon.

The port authority in New York City was alerted but reported that Mrs. Lang was not on the bus. About 10:30 p. m. Mrs. Cassidy received a call from a police station in New Jersey that Mrs. Lang was there.

Relatives and friends drove down this morning to bring Mrs. Lang home.

Car Locked on R28

The sheriff's office received a call at 10:40 p. m. yesterday reporting that Nosowich was missing.

He had parked his car on Route 28A a short distance above Torino's Restaurant. The car was locked.

It was believed that he had gone fishing but an intensive search of the area and the shores of the reservoir disclosed nothing of the missing man, or articles of fishing equipment, etc.

On the search were Sheriff Bell, Vredenburgh, and Deputy Sheriffs Delbert Sapp, Arthur Smith and George Ritemeier, along with Kingston state police. Also searching was Paul Joyce of the New York City Water Department and a group of department employes.

Back at 6:50 A. M.

The Nosowich family called the sheriff's office at 6:50 a. m., today to report that he had just returned home.

It was explained that Nosowich had lost his way in the woods. He had apparently suffered no ill effects, having been clothed in heavy hunting apparel. He found his way out of the woods this morning and drove home.

About 6 p. m., Mr. and Mrs. Scherer sent Howard's sister out to call him to supper.

Scherer told The Freeman today that the child "sneaked in a side door," went upstairs and fell asleep in a closet. There was a mattress on the closet floor.

The Scherers searched for several hours, but called for help about dark when the boy failed to appear.

Enjoying His Sleep

Scherer said everybody cooperated wonderfully which was much appreciated. The Connelly Fire Department under Chief Frank Giles turned out in force. They searched the woods, probed a water cistern, checked the woods where the children had built a "hut," but could find no sign of the child.

Finally, Deputy Sheriffs Arthur Smith and Delbert Sapp arrived on the scene and, accompanied by Scherer, again searched the house. Howard was found sleeping peacefully. The time—10:30 p. m.

Nixon - Dulles Clash Unlikely Over L A

By JAMES MARLOW
Associated Press News Analyst

WASHINGTON (AP) — Vice President Nixon steps right into Secretary of State Dulles' back yard and calls for a reappraisal of American policy toward Latin America. Dulles has not admitted a single error in handling Latin Americans.

Does this look like the beginning of a head-ramming contest between the two men? It's not likely. Nothing Nixon has publicly proposed so far, or is expected to propose, goes much beyond generalities.

Since both men are key members of the Eisenhower administration — and haven't locked horns since they took office in 1953 — there's no reason to expect conflict now.

Split Party Not Aim

Nixon, the most likely Republican presidential candidate in 1960, will hardly do anything to split the party or hand the Democrats brickbats for free. And Dulles has enough troubles all around the world without taking on Nixon.

The vice president, home after facing mob violence in Peru and Venezuela and hostile demonstrations almost everywhere he went in Latin America, talked to a National Press Club luncheon Wednesday.

He took a poke at the diplomats who work for Dulles' State Department — but this was far from a poke at Dulles — by saying it's high time the diplomats in Latin America pay more attention to labor leaders, students and newspapermen there.

Raps Social Functions

He jibed at them for spending too much time and attention on the cocktail and white tie dinner circuits.

While Dulles brushed aside at his Tuesday news conference any idea that there is broad anti-Americanism in Latin America, Nixon did say it would be a great mistake to attribute to the Communists all the troubles he encountered.

He pointed out such causes of Latin-American resentment — which he said the Communists exploited — as these: a belief this country has supported dictatorships, and a decline in Latin-American exports to this country.

Dulles has acknowledged some economic factors are behind the Latin - American demonstrations. And he talked at length on American policy towards dictators without indicating any change.

It is understood Nixon in a couple of weeks will recommend to President Eisenhower and Dulles some ideas for offsetting Communist influence in Latin America. For instance: a colder attitude towards dictators.

Paraguay Visit Hit

But Nixon himself on his tour created some ill will for this country by stopping off in Paraguay and showing friendship for South America's last remaining dictator, Paraguay's President, Alfredo Stroessner.

Brian Bell, Associated Press reporter in Argentina, wrote of the effects of Nixon's visit with Stroessner as follows:

Diplomatic sources in Buenos Aires said Nixon's visit to Paraguay might have triggered the riots he encountered later in Peru and Venezuela. Bell quoted one diplomat as saying: "When Nixon included Paraguay in his trip, many South Americans took this as a direct slap at their hard fight for democratic government. It is difficult to see why Paraguay was included in (Nixon's) tour."

Whenever a person begins to feel his own importance his friends begin to doubt it.

Lebanon Asks Parley

CAIRO (AP) — Lebanon has asked that its trouble with antigovernment rioters be discussed at a special meeting of the eight-nation Arab League Council, the league's headquarters confirmed today.

Lebanon has charged the United Arab Republic with inteferering in its affaairs. The U. A. R. has denied the accusation.

Informed sources said a date and place for the meeting will be set within five days.

Leaves From Boyle's Notebook

By HAL BOYLE

NEW YORK (AP) — Sidewalk scrawls of a Pavement Plato:

History can be a record of hysteria. It is unlikely that hysteria will momentarily cause World War III.

The spokesmen of the two major world powers — the United States and the U.S.S.R. — have been making angry noises at each other since the end of their mutual victory at the end of World War II.

Both Sense Fears

Each probably feels himself bigger than he is —each is gnawed by inside as well as outside fears.

Each throws a larger shadow at the moment than either wants to have to live up to by force.

All around the world since the end of World War II people have looked at two menus—the bread they have, the bread they want.

In civilized as well as uncivilized countries the people have reached toward the bread they want. Their desire is the same. The method of reach varies. Agreement has made fewer headlines than violence. But has it given less bread?

Violence in human relations gives off a great boom in terms of sound. The real test in judging a change, is whether—after the echoes have died—the people who made the change feel it was worth the effort.

Is Reward Enough

Would agreement without violence have cheated their dreams, their children, or themselves? This is the way to weigh war. Is the reward of going to it worth more than the cost of staying away from it?

In looking over previous civilizations and trying to figure out why they went to war, a Side-street Socrates, always asking questions, would have to query: "For this you were afraid?"

"Did you measure your tears? Did you got to war for a purpose or to escape from one boredom to another?"

"Why does peace lack the human cement of unity that war creates?"

No War in 10 Years

I am optimist enough to feel in my heart and brains and bones that World War III isn't likely within 10 years.

Why?

Because:

1. The tumultuous reach for political liberty by the submerged people of this earth is balanced by the desire of the so-called civilized people for a higher standard of living.

2. At least for another decade the powers that can now precipitate a major conflict have more to gain by landscaping their own lawns than they do by trying to tear the other guy's house down. They all know this.

There is a reason under the sun to build, and this is the season. One repairs his roof after the last hurricane, even though there may be another.

I have a poor man's faith that the man in the world's street is as of now more lonesome for improvement than disaster.

Good Record

Registered births in the United States reached a record high of 4,168,000 in 1956, with less than 1,600 deaths reported due to complications of pregnancy and childbirth.

New Paltz Stone House Day Is Set August 2

Plans are being made for the eighth annual Stone House Day, sponsored by the New Paltz Dutch Reformed Church, on August 2.

The 1958 event will mark the 275th anniversary of the founding of the New Paltz church. The observance will be celebrated by special exhibits of documents, letters and photographs.

Stone houses in the village will be open for inspection and the pageant will depict the founding of the church and a re-enactment of the paying of tribute by local Indians to the Iroquois chief.

Kenneth E. Hasbrouck, chairman, is interested in obtaining any items dealing with the church history such as letters written by ministers, photographs and old documents.

At Niagara Plant

Scenic Beauty Not Overlooked

NEW YORK (AP)—Scenic beauty is not being overlooked as construction of the Niagara power project gets under way, the State Power Authority said today.

The latest report on the project tells of efforts "to obtain all possible protection against the erection of advertising signs along the Niagara Parkway," adding:

"It would make little sense to sink sums of public and private money into these improvements only to have them desecrated by advertising."

The design of the Niagara Parkway and park facilities incidental to the power project is proceeding on schedule, the report said.

Permanent visitor facilities also are being incorporated in over-all planning, including exhibition buildings and an observation structure at the Niagara generating plant overlooking the gorge.

Housing for key employes also will be provided, and a landscaped highway will connect the Tuscarora and Niagara plants, the report said.

The authority said first power of the project is scheduled to be produced on Feb. 10, 1961. The aim of the project is to produce 13 billion kilowatt hours per year of electric energy.

In carrying out the giant project, the authority said, "we shall provide employment for thousands of men at a time when well planned public works can do a great deal of good."

Tearful Story

PANAMA CITY, Fla. (AP) — While on a patrol run, Deputy Sheriff Lowell Spooner accidentally discharged a tear gas gun in the front seat of the police car. Deputy Leonard Finch hastily ran the automobile on to the highway shoulder and both officers dived out. "Call for another car," said Finch. "Call yourself," said Spooner. "I'm crying so hard I can't see our car." They finally made it tearfully back to the sheriff's office after seven airing-out stops.

PLATTEKILL NEWS

PLATTEKILL — Charles Franklin, newly appointed coordinator of Civil Defense of the Town of Plattekill, has contacted all members of the unit in the interest of a meeting to be held Saturday at 8 p. m., at the Plattekill Grange Hall.

Bernhardt Kramer of Kingston is expected to be present and speak on the importance of preparedness in Civil Defense.

Members of the Plattekill Parents Club met at the local school on Tuesday evening, when James Slight of Highland showed slides of Mexico.

Plans were announced for a cake sale to be held Friday, June 6 at the school, and the presentation of an operetta entitled, "Children of Buttercup Commons," with children from each grade participating.

Onufry Orlowski represented the Plattekill Fire Department at a meeting of the Leptondale Parents League, when discussion was made of the operation of volunteer fire companies.

Mrs. Charles Franklin, corresponding secretary of the club, announced that the annual election of officers will be made at the June meeting.

Carole Jacobowitz, Mary and Margaret Kopaskie were members of the Wallkill Central School band participating in the annual Ulster County High School Musical Festival, conducted Friday in the auditorium of the Wallkill School.

Charles Van Duser is reported ill at his home near here.

Members of the Plattekill Grange visited the Pine Bush Grange Monday evening, accepting a "Neighbors Night" invitation.

A cafeteria supper will be served Saturday evening, May 31, at the Grange Hall, sponsored by Community Service Committee.

A food sale is planned for Saturday evening in conjunction with the meeting scheduled for that date.

Robert Engle of this place, a senior student at the Wallkill Central High School, was one of 89 seniors in New York State to win a National Merit Scholarship.

Robert is a member of the Plattekill Methodist Church, and member of the church choir, Wallkill School Chorus, and the County Chorus.

President of the FFA, Robert has other credits, such as winner for two years in a county speaking contest, sponsored by the FFA. He is junior assistant scoutmaster for the Plattekill Boy Scouts, president of the sub-district MYF, and a former vice president of the Plattekill unit of the MYF.

He plans, at the conclusion of his studies at Willkill this June, to enter Cornell University, majoring in pomology. He plans a career in research or farm management.

Gerald Beyer, of Plattekill, was elected president of the sub-district MYF, at a recent meeting at the Highland Methodist Church, when the annual election of officers was made.

Jerry Parabeli was elected vice-president of the Wallkill Chapter of the FFA, and Thomas Sammons, treasurer, at a recent election of officers held at the school.

Robert Engel and Bernado Rodriguez were appointed delegates to the New York State annual convention to be held at Canton, N. Y.

The final meeting of the Wallkill unit was held May 21, meetings to be resumed at the beginning of the fall school term.

Mr. and Mrs. Edward Etell and son Wayne, were among those attending a family party at the home of Mr. and Mrs. George Ettell at Leptondale, Sunday.

The daughter, born May 9 to A/2c and Mrs. Harold Matthews, has been named Sharon Ann.

Mrs. Matthews is the former Celia Nacri of Plattekill.

Registration for kindergarten at the Wallkill and Plattekill Elementary Schools will be concluded on Friday, from 3-4 p. m., and parents unable to meet the schedule, a special registration will be conducted from 7-8 p. m.

The schedules at both schools were set up according to alphabetical order.

HONOR MAN—Memorial Day this year will see the interment at Arlington National Cemetery of two new Unknown Soldiers—one from World War II and one from the Korean War. The former will be chosen by Navy Hospital Corpsman William R. Charlotte, of Ludington, Mich., a Navy Medal of Honor winner. He will choose between two bodies, one from the European-African theater, the other from the Pacific theater. The ceremony will take place aboard the guided missile cruiser Canberra, 25 miles off Chesapeake Bay. Charette is a veteran of the Korean War.

First colonial name of Williamsburg, Va., was "Middle Plantation," then (in 1632) a palisaded outpost.

No Need for Peek to Win

BY OSWALD JACOBY
Written for NEA Service

East signaled come-on with the jack of hearts on his partner's opening lead of the king. West obliged by playing ace and then the nine.

Dave Warner of Philadelphia who was declarer saw no point in letting East ruff dummy's queen of hearts so he played low. East discarded the four of diamonds and Dave trumped.

At this point, you readers who see all the cards should have no difficulty making the hand. All you have to do is to trump a low club in dummy and go after the trump suit. Eventually, you take a first round diamond finesse and discard your two remaining low clubs on a diamond and the queen of hearts.

Dave played the hand just that way. He might as well have seen all the hands because it was apparent to him that East's diamond discard could not have been from the queen and it also was certain that East needed the spade ace for his vulnerable overcall.

Incidentally, it should be pointed out that the way the cards lay East and West had several ways to beat the hand but when the defense slipped Dave was right there to take full advantage of it.

There are approximately 14,000,000 people in the United States more than 65 years of age.

University to Name Outstanding Students At Commencement

The outstanding students at the State University Agricultural and Technical Institute at Canton will be announced at graduation exercises June 8 and their names will be placed on a plaque in Madill Hall.

Joseph Roach of Kingston is among students who will be considered for the honor.

The top 10 per cent of the class is considered, based on honor points.

The outstanding man and woman is chosen by the student council president of 1959, the secretary and advisor.

Considered are 1) Scholastic rating, 2) Personality — each student is rated by his department head, two teachers and three students, and 3) Leadership, activities, offices held, committee work and membership in organizations.

Broadway Plays Are Signed for Musical Summer Theater

Eddie Rich, producer of the New Colonie Musical Theatre, located near Latham Circle off Route 9, announces that he has scheduled all the shows for the 12 week season of Broadway hits.

With a motto of gaiety, laughter, color and unforgettable melodies, the season will be launched on Tuesday evening, June 24, with "Damn Yankees," the uproarious musical comedy taht was a long-run hit on Broadway "Damn Yankees," will play nightly through Sunday evening. The second production, starting July 1, will be Silk Stockings, with Cole Porter's beautiful songs and George S. Kaufman's witty story. The next week "Happy Hunting," a tuneful and sassy take-off on a royal wedding in a small European province, will be presented and is to be followed by "Kiss Me Kate," which brings to Colonie audiences another beautiful Cole Porter score.

Since no musical season could do without Rogers and Hammerstein, Rich has chosen their spectacular "The King and I," a dramatic story with an exotic background and filled with brilliant colors and never-to-be-forgotten music, will play for two weeks. "CanCan, a naughty but nice story of Paris in the gay 90's, opens on August 5. The following week comes the romantic setting of Old Heidelberg with Sigmund Romberg's "The Student Prince," where love, drama and enchanting strains are the pass-key. August 19 brings "Pajama Game," identified by "Hernando's Hideaway" as only one of its familiar hit songs. Opening on August 26, for two weeks, is the exciting, glittering recent Broadway success "The Most Happy Fella."

Winding up the season is the giddy, irresistible and fast moving "Auntie Mame," which is still entertaining Broadway audiences.

Judea Shrine 12 Holds Meeting Here

The regular meeting of Judea Shrine 12 was held in Masonic Temple on May 15.

A reception was given for the newly installed Worthy High Priestess Florence Ean of Highland and Watchman of Shepherds, Paul Hadley of Poughkeepsie.

The meeting was largely attended by visitors from many of the Shrines in the district among whom were Betty Shick, District Deputy of Albany, and James Smith, Deputy Supreme Watchman of Shepherds of Schenectady. Edith Bakus, Supreme Committee member of Schenectady, also attended.

A degree "Travel" was given. Refreshments were served.

The Kitchen Sink

RICHMOND, Va. (AP) — They have even tossed the kitchen sink into crowded school rooms. Henrico County needed replacement tops for 500 old chair desks. New ones cost $10.95 each. A fixture company offered tops from scrap left over when holes for sinks are cut in composition kitchen counters—and for $2.35. They were in various shades of yellow, tan, red and gray but the kids don't mind.

Hibernians Elect Officers at Meeting

Mrs. Katherine McAndrew was elected president of Ancient Order of Hibernians, Division 5, at a regular meeting held May 15.

Also elected were: Mrs. Hattie Finn, vice-president; Mrs. Florence Duffy, secretary; Mrs. Florence Fennelly, treasurer; Mrs. Agnes Bellswinger, mistress at arms; Miss Marie Keegan, sentinel; Mrs. Nora Coffey, Irish history; Miss Mary Van Buren, chairman of missions; Mrs. Edna Hoppey, Catholic action.

Refreshments were served.

FOR THEATRE GOERS

Dear Mrs. Post: Will you please say something in your column to the theater goers who go out during intermission for a cigarette and return after the lights have gone out and the performance has resumed? I find this habit most annoying and lacking in consideration for others. Nine times out of ten it is done by people who should know better. A word from you will help.

Answer: There is no act that is more inconsiderate than not going back to your seats when you are notified that the curtain is about to go up. It is not only very disagreeable to the people in the audience to have someone stand between them and the stage, but it is very upsetting to the actors.

The Bride's Dress

Dear Mrs. Post: My wedding will take place in the church rectory in the presence of only the immediate members of our families. Is this wedding too small for the bride to wear a very simple white dress and a plain tulle veil?

Answer: No, it is always proper that a bride wear a white dress and veil when she is married by a clergyman whether she is married in a church, a rectory or at home. In fact the only time when it's unsuitable to wear a veil is when she goes to City Hall or the County Clerk's office to be married.

Returning a Man's Greeting

Dear Mrs. Post: The other day my son and I were walking down the street when a man I know came toward us. He tipped his hat in greeting, but did not stop. My son did not tip his hat in return. I told him that he should have, but he said that a man did not tip his hat to another man —only to a woman. Will you please tell me who is right?

Answer: You are completely right. It was very rude of your son not to tip his hat.

What should be served for a formal dinner, a buffet lunch or supper? Mrs. Post is sorry she cannot answer personal mail. However, her leaflet E-25, "Menus for Every Occasion," will help you. To obtain a copy, send 10 cents in coin to Dept. EP, in care of The Kingston Daily Freeman, P.O. Box 99, Station G, New York 19, N. Y.

New Paltz Art Association Opens First New York Show on 55th Street Tomorrow

The New Paltz Art Association will open Friday afternoon its first New York City art exhibit at Barrie's Restaurant, 65 East 55th Street. The restaurant which is patronized by radio and TV personnel from nearby Madison and Park Avenues, is owned by Jacob Mendelson. He is a member of the advisory council of State University Teachers College, New Paltz. Arrangements for the exhibit were made through the courtesy of Dr. William J. Haggerty, president of the college. The Art Association holds its classes at the college from September through the middle of May.

At the Art Association's spring business meeting at Elting Memorial Library, May 20, plans were made to hang the first group of paintings on Friday, May 23. Among the artists whose work will appear are: the Mmes. Mida Kaelin, Shirley Cafferty, Joyce Tenny, Lois Ackert, Marion Pine, Helen Hoffmann, Margaret Des Jardins, Roselyn Dugan, Louise Krajicek; the Misses Edith Hotl, Myra Gerald, Jennie Lee Dann, also Thaddeus Beald and Richard Janssen.

Rotating Exhibit

Since the exhibit will be a rotating one, all other members of the Art Association who wish to show their work may do so by contacting either Mrs. Joyce Tenny, president of the association, or Mrs. Roselyn Dugan, secretary.

Other business transacted at the association's spring meeting included: election of officers for the coming year, arrangements for outdoor art classes during June; plans for the group's summer art show, and discussion of the association's participation in the local Hudson-Champlain Harvest Festival next year.

Panel of Officers

The nominating committee, composed of Chairman Marion Pine with Mrs. Lois Ackert and Margaret Des Jardins, submitted the following slate of officers: Mrs. Joyce Tenny, president; Miss Edith Holt, vice president; Roselyn Dugan, secretary, and Jennie Lee Dann, treasurer. They were unanimously elected. A vote of thanks was given to Mrs. Helen Hoffmann, outgoing treasurer, who declined to run again.

Tentative plans for the association's summer art show were discussed and a committee appointed. Mrs. Lois Ackert will be chairman assisted by Miss Jennie Lee Dann and Mrs. Shirley Cafferty. The summer art show has become a traditional part of the Library Fair held on Stone House Day on the first Saturday in August.

The Mmes. Margaret Des Jardins, Lois Ackert and Joyce Tenny were appointed to explore the possible ways that the association could participate in the coming local Hudson-Champlain Harvest Festival.

Rondout Valley Seniors Accepted by Area Colleges

DIANE H. DOYLE

MARGARET J. CHIPP

MARGARET P. FREEDMAN

Russell Van Regenmortel, guidance director of the Rondout Valley Central High School at Kerhonkson, has announced the names of seniors who have been accepted to college.

Miss Diane Hume Doyle, daughter of Mr. and Mrs. Robert H. Doyle of Kerhonkson has been accepted at Oneonta State Teachers College at Oneonta.

Miss Doyle has been a member of the Library Club, Latin Club and Captain of the J-V Cheerleaders. She has served as treasurer of Chorus and is now its president, is co-captain of the Varsity Cheerleaders, and was a member of the cast of the senior play. In both her freshman and junior years she won the Citizenship Education Scholastic Award for Girls

Miss Margaret Jean Chipp, daughter of Mr. and Mrs. Arthur Chipp of Kerhonkson, has been accepted at St. Luke's School of Nursing, Newburgh.

Miss Chipp has been a member of the band, chorus, Dancing Club, Latin Club, and Student Court. She was a member of the cast of the senior play, and has been a J-V cheerleader for four years, and J-V cheerleader manager for two years.

Miss Margaret Paula Freedman, daughter of Mr. and Mrs. Charles Freedman of Accord, has been accepted at two State Teachers Colleges, those at Oneonta and at New Paltz. She plans to attend Oneonta State Teachers College.

Miss Freedman has been a member of the Dancing Club, J-V Cheerleaders and Varsity Cheerleaders, and a student announcer. She was a member of the cast of the senior play and has been both secretary and vice-president of the chorus. In addition, Miss Freedman has been active in intramural basketball and volleyball, literary editor of the school yearbook, and in her sophomore year she won the Citizenship Education Scholastic Award for Girls. Kerhonkson Lions Club Rehearses For Annual Kapers

Kerhonkson Lions Club will present their 11th annual Kapers on Saturday, June 1, at 8:30 p. m. in the auditorium of the Kerhonkson High School. Proceeds will be used to carry on various Lions Cub projects such as eye conservation, civic improvement, boys' and girls' activities, and for the development of a program of assistance to college-bound students of the Kerhonkson area.

Arthur Chipp of Kerhonkson is general chairman for the Kapers and will be assisted by the following:

Hyman Gutkin, seating and program; Evald Bors-Koefoed, advertising; Hamilton Sherman, lighting; Saul Altholz, scenery; Vincent Mikalonis, Harold Rich and Edward Schwab, tickets; Donald A. Downs special; Roland A. Riegel, publicity.

In addition to the acts provided by members of the Kerhonkson Lions Club, Miss Audrey Shultis, dance instructor of Kingston, will present a revue featuring children of various age groups.

The board of directors of Kerhonkson Lions Club invites all area residents to attend. Support of everyone in the area is needed so that the Lions Club projects for betterment of the area may be continued. Tickets for the show are available from members.

Spring Concert Draws Capacity Audience At Campus School

Spring concert sponsored by the Campus School Parent Teachers Association and held May 16 in the gymnasium of the Campus School drew a crowd of approximately 200 parents and teachers.

Before the concert began the annual meeting of the P-TA was held at which time the new officers of the P-TA were installed by Mrs. Hildegard Gross. The treasurer's report was given and copies of said report handed out to the parents. During this meeting Charles Moehrke read a letter of appreciation to Miss Gertrude Stroebel, who is retiring this year after 29 years of teaching. Miss Violet Coulton then presented Miss Stroebel with a bouquet of wild flowers in behalf of the P-TA.

The concert, under the direction of Milton Otteson, head of the Campus School Music Department, and with the children of the Campus School participating, was a huge success. The Campus School Orchestra played several marches and other selections. The Intermediate Chorus and the Junior High Choir rendered songs from several countries. The girls septet added a special touch with a group of three songs.

Refreshments were served in the Campus School cafeteria by the mothers of the kindergarten and nursery classes.

Catskill Glee Club To Give Concert at Stone Ridge Church

Catskill Glee Club will give a concert at the Stone Ridge Methodist Church Monday at 8:30 p. m.

Selections to be presented by the Glee Club include: Swedish Student Song, Ahlstron; Hunting Song, Bullard; Stout Hearted Men, arranged by Scotson; Creation, Willy Richter.

Soloists will be John A. McCullough tenor, well known throughout this area and Edward Terpening, baritone. The group is under the direction of Roiland E. Hermance.

Reservations Open For Republican Luncheon Saturday

The annual luncheon of Ulster County Women's Republican Club will be held Saturday, 1 p. m. at the Governor Clinton Hotel. Reservations are still available and may be obtained by contacting Mrs. Louis G. Bruhn or Mrs. Robert Pardee.

Miss Ruth Miner will be the guest speaker.

Sally Garlick Weds John J. Creeden At Church of St. Catherine, Albany

Miss Sally Garlick, daughter of Mr. and Mrs. Dayton Garlick of Hurley, became the bride of John J. Creeden, son of Mr. and Mrs. John Creeden of Carle Place, L. I., at the Church of St. Catherine of Siena, Albany. It was a double ring ceremony with the Rev. Francis X. Caron officiating.

The wedding, which was announced to The Freeman this week, was held Saturday, April 19.

Miss Garlick, escorted by her father, wore a softly shirred white chiffon bouffant gown with a draped neckline. Her illusion veil was fingertip length. Her cascade bouquet was of white orchids with white and yellow roses.

Mrs. Raymond Kopher, sister of the bridegroom, was the matron of honor. Her white organdy gown was imprinted with blue flowers and she wore accessories matching the blue cummerbund sash. Her bouquet was delphinium and yellow tulip buds.

Lawrence Creeden was his brother's best man.

Following the ceremony, luncheon for the members of the immediate families was held at the Sheraton-Ten Eyck Hotel.

Mr. Creeden, who is with the U. S. Air Force, is en route to Spain where he will be stationed for two years. Mrs. Creeden, who is a senior at Albany Medical Center School of Nursing, will join her husband in November upon completion of her training.

Music Center Opera Plans Are Announced

Boris Goldovsky, director of the Opera Department of the Berkshire Music Center at Tanglewood, Lenox, Mass., announces his plans for the coming summer session of the Boston Symphony Orchestra's summer school between June 30 and August 10.

The major production of the season will be Rossini's "Count Ory" in an English version by Robert A. Simon. The English version was commissioned by the Juilliard School of Music for the Juilliard Opera Theatre and has been released to the Berkshire Music Center for performance at Tanglewood. The Opera Department will also present a condensed version of Gounod's "Romeo and Juliet, Acts II and IV of Verdi's La Traviata and Act III of "La Rondine" by Puccini. Opera performances will take place on three Monday evenings (July 21, 28 and August 4) in the Theatre-Concert Hall at 8:30.

The support of the Berkshire Music Center Opera Department has been undertaken by the Leadership Training Program of the New England Opera Theatre. This program has benefited from a generous Ford Foundation grant to be used in developing the new scenic materials, a program started by Mr. Goldovsky last season at Tanglewood. The new materials will be used in all opera productions.

Mother - Daughter Banquet Honors Four Area Women

Four mothers were honored for special distinctions at the annual mother and daughter banquet Wednesday night at the parish hall of St. Paul's Evangelical Lutheran Church, West Camp.

Mrs. Herbert Pysher of Cementon was recognized as the mother with the most generations (four) in attendance.

Mrs. Werner Liesendahl of West Camp was designated as the mother with the youngest baby.

Mrs. Roy J. Potts of Cementon was named as the mother with the oldest daughter (Mrs. Daniel Wynne of West Camp) in attendance.

Mrs. John Wynne of Cementon was recognized as the mother with the largest family. She has 12 children, 29 grandchildren and 13 great-grandchildren.

The dinner served by the men of the church, is sponsored by the women's organizations of the church.

The program included adaptations of "The Price Is Right" conducted by Mrs. Herman K. Knaust, and "It Could Happen to You" with Mrs. Potts as moderator. Miss Ramona Robinson also served on the program committee.

Mrs. Herman Knaust served as toastmaster and the Invocation was offered by Mrs. Alvin F. Messersmith. Miss Sherry Patterson delivered the welcome to the mothers present, and Mrs. John Patterson gave the welcoming address to the daughters.

The junior choir of the church and Mrs. John J. Prendergast's Sunday school class presented selections.

The Rev. Mr. Messersmith, pastor of the church, showed color slides of parish activities of the parish.

Virginia baked ham was served.

Sawyer Debaters Win Valley Title

Saugerties Varsity Debaters, frequent "bridesmaids" in second place at major tourneys, closed out their 1957-58 season Tuesday, by winning the Hudson Valley championship at Newburgh.

Juniors and sophomores replaced the senior squad for the finale and captured the tourney trophy for first place by ⅓ of a point over Newburgh. The Newburgh Free Academy squad captured the Newburgh Bar Association sweepstakes trophy for cummulative debate success over two seasons.

In the opening rounds last Thursday, Carolyn Roeser, Nancy Overbagh, Paul Kruger, and Hannah McLennan of the SHS squad swept to an impressive four victories against no defeats. Among their victims was the Newburgh negative squad of seniors, previously a "Sawyer jinx" in the NFL State Championship at Syracuse. Tuesday the NFA squad swept to four victories downing the Saugerties negative squad of Paul Kruger and George Popowicz.

A critical loss by Roeser and Overbagh to Poughkeepsie Tuesday forced the tourney officials to break the deadlock between Saugerties and Newburgh for the coveted first place on the basis of speaker ratings as both squads posted 6-2 records. Nancy Overbagh with a perfect rating of four firsts and Paul Kruger with three firsts and a second, paced the Sawyers to victory 31-30 2/3. Newburgh had been favored on the basis of past performances.

Poughkeepsie High School finished third. Arlington, state NFL titlist, headed for the national tourney at Sioux Falls, S. D., was withdrawn due to senior committments. Wappingers and St. Patrick's rounded out the field of competing schools, although the league has eight members. Saugerties seniors were also withdrawn due to the nearness of the final examinations and the Rotary Dinner for the National Honor Society members. The tourney is usually in March-April but was postponed because of widespread illness. The Sawyer varsity senior squad posted first place finishes in the Hamilton College Invitational B Division and in the Capitol District regional tourney. Second places elsewhere and first place finishes when no trophy was awarded had led to their assumption of a "Bridesmaid" role until yesterday when the second string and probable 1958-59 varsity frontline moved up as able replacements.

Local Resident Heads Mother of Year Program

Mrs. Herman Knaust of Stroomzeit, Saugerties, as national chairman of the annual meeting and honor luncheon of the American Mothers Committee played an outstanding role in the program at the Waldorf-Astoria, New York City last week during the selection of the "American Mother of the Year."

Mrs. May Roper Coker, a 68-year-old widow of Hartsdale, S. C., was named this year.

Mrs. Knaust, national treasurer, attended with 15 area men and women as her guests. Mrs. Knaust introduced those designated as state mothers from each state in the union and also, Hawaii and Puerto Rico. A score or more of past state mothers were also introduced. The project, "Remembrance of Mothers," is one of several sponsored by Counselor Motherhood Services. This was the 24th annual awards luncheon of the conference and over 500 persons attended.

School Notes

William Clements is to be the Saugerties High School candidate under the Central Hudson Gas and Electric Corp. scholarship program.

Under this plan each high school in the Mid-Hudson Valley appoints one junior who has the privilege of undergoing a two week indoctrination course at Central Hudson. Sometime next year the Central Hudson Company will select one candidate from the group to receive a free scholarship at RPI.

Sawyer on Sale

The Sawyer, Saugerties Central High School yearbook went on sale this week, it was announced today in "The Ulsterette," SHS school newspaper.

The 1958 Sawyer is larger than last year's edition but no increase in price made. It has a red and white padded cover, contains many pictures taken in the vicinity of the school.

Sigma Election

Susan Harris was elected president of Sigma Club at a recent meeting held in the school. Judy Kaminski was named vice president. The secretary and treasurer will be chosen in the fall.

Town Notes

Ike's Brother Father of Year

NEW YORK (AP)—Milton S. Eisenhower was named Father of the Year today and promptly got congratulations from the President of the United States, his brother.

Milton Eisenhower, president of Johns Hopkins University, was chosen by the National Father's Day Committee along with six other fathers outstanding in the fields of sports, entertainment and the arts. Sunday, June 15, has been designated Father's Day.

The President sent the committee a letter to read at the ceremony saying he was delighted and commenting, "It is difficult to picture one's youngest brother as the 'Father of the Year.'"

"In my opinion his devotion to his own children, together with his contribution to all the splendid college students he has helped develop over the years, more than put Milton in the class of outstanding fathers," he added.

The committee presented the awards at a luncheon in the Waldorf-Astoria Hotel.

Other fathers honored were: Victor Borge, television, who has five children; Walter Cronkite, radio, two children; Peter Ustinov, stage, two children; Martin Mayer, literary, one child; Sugar Ray Robinson, sports, two children; and Eddie Fisher, music, two children.

Skin Divers May Join Search for Missing Brothers

Skin divers may join the search for two fishermen brothers whose capsized boat was found floating in the Hudson River near Highland Tuesday, it was reported today.

They are members of the Dutchess Skin Divers Association. Joseph Gleason of Pleasant Valley is president.

Missing are Amos Perry, 38, and his brother, David, 28, both of Highland.

The flat-bottom rowboat, floating upside down, was found about 8:30 a. m. Tuesday by employes of the Poughkeepsie Waterworks Department. It was drifting near the Poughkeepsie side of the river.

It was reported that the two men left home about 7 p. m. Monday to go shad fishing. A net, full of fish, was found tangled with the boat. There were also a couple of lifejackets and a water can floating nearby.

The river had been rough recently, although the weather was mild.

A spokesman for the Dutchess county sheriff's office said today that the search was continuing. If the men are in the river their bodies should float to the surface within a day or two, it was explained.

Hi-Y Club Holds Installation of Officers on 21st

Hi-Y Clubs held an installation program at the YMCA Wednesday. Master of ceremonies was Chester Baltz Jr., chairman of the Boys Committee. Those present were Herb DeKay, president of the YMCA Board of Directors. District Attorney Howard C. St. John, Louis H. Schafer, general secretary of the YMCA and Frank Rebollo, youth director.

The officers completing their term in office for 1957 were as follows. The Bookwalter Hi-Y Club, Bernard Ghezzi, president; Raymond Peterson, vice president; Alan Schoonmaker, secretary; Andrew Perpetua, treasurer, and Ronald Thomas, chaplain.

The Hi-Y Filia club's officers were: Linda Willard, president; Pegg Thomas, vice president; Elaine Hafer, secretary; Doris Broskie, treasurer; and Joan Perry, chaplain.

The officers elected for 1958-59 were as follows: The Bookwalter Hi-Y Club are Raymond Peterson, president; Alan Schoonmaker, vice president; Bernard Ghezzi, secretary; Raymond Reilly, treasurer; and Michael Boice, chaplain. The Hi-Y Filia Club elected for the coming year are: Doris Broskie, president; Peggy Thomas, vice president; Linda Willard, secretary; Mella Fasano, treasurer; and Marcella Whelan, chaplain.

The program climaxed with a Hi-Y cheer and singing of the Hi-Y hymn.

This was the last meeting for the season. Clubs will resume meeting in September after school opens.

Mohonk Resort Is Cited for Service Offered Public

Lake Mohonk Mountain House, Mohonk Lake, operated by the Smiley family since 1869, has been admitted to membership in the exclusive Duncan Hines Fifth-of-a-Century Club.

A citation that goes with membership stresses that the resort has maintained exacting standards of quality and service since it was listed 20 years ago in 1938 editions of Duncan Hines travel books.

Lake Mohonk Mountain House received the honors with a select number of eating and lodging places at the 16th annual Duncan Hines family dinner in Chicago attended by more than 450 persons, including guests from educational institutions offering courses in hotel administration.

Resorts in the club are situated in the United States, Canada, Mexico and Hawaii.

Living Costs At New Peak

WASHINGTON (AP)—Another record high in housewives' grocery costs sent the government's living cost index to a peak in April.

Officials who announced the new rise today had some good news for consumers, however. They said some food prices are declining in May and that the over-all level seems to be reaching a somewhat stable level for the summer months.

Big Rise Over

Ewan Clague, Labor Department statistics commissioner, told a news conference that "in a broad generaly way I'd say the index has shot its bolt—there's no question about it, the big rises are now over."

The government index rose two-tenths of 1 per cent between March and April, reaching 123.5 per cent of the 1947-49 base period.

The April rise was wholly due to higher food prices, particularly fresh fruits and vegetables. Prices for meats and fish also were higher.

The April living cost level was 3.5 per cent above April 1957. It represented the 18th increase in the past 20 months. It has declined only once in the past 28 months, despite the business recession.

Pay Boost for Some

The new rise means a pay increase to about half a million workers based on labor contracts geared partly to changes in the government index. Most of the workers will receive boosts on June payroll of about two or three cents an hour. Some will get as high as five cents an hour more.

Another 750,000 workers normally would get pay adjustments based on the April index increase. This includes employes of the major auto companies. Labor contracts for these workers are expiring at the end of this month.

The automatic raises go to workers in the aircraft and electrical manufacturing industries.

Trujillo Returns

KANSAS CITY, Mo. (AP)—Free-spending Lt. Gen. Rafael Trujillo Jr., arrived in Kansas City today, apparently to resume military classes at nearby Ft. Leavenworth, Kan.

Trujillo left the school about two months to go to California. He rented a $2,500-a-month Beverly Hills mansion and spent most of his time visiting Hollywood night spots in the company of movie star Kim Novak.

The 29-year-old son of the Dominican Republic strongman refused to answer any questions here.

High School Tossers Defeat Roosevelt, 11-9, on 13 Hits

Three Maroon Pitchers Share In Road Victory

Any seismograph in Dutchess County might have recorded more than slight tremors in the vicinity of East Park yesterday as Kingston High School staged a window-rattling, 13-hit assault —including six doubles—to defeat Roosevelt High, 11 to 9.

The extra-base strokes were powered by Dave O'Connor, Frank Sammons, who collected two of them, and Tom Spada with three.

Spada, the first of three Maroon pitchers, gave up five hits and walked the same number. He fanned five.

He was relieved by Bill McDermott, who struck out six, issued three passes and allowed two hits. McDermott received credit for the win, although he gave way to Bob Beadle.

Beadle walked two and was touched for only one hit.

Pitcher Hits Homer

Roosevelt's DuBois, who went all the way to get tagged with the loss, blasted the game's only home run. He wasn't nearly as effective on the mound, striking out three, issuing an equal number of walks, and having the roof fall on him with the 13-hit Maroon barrage.

Kingston's eruptive bats were quieted until the third inning after Roosevelt opened with three in the first and a lone tally in the second.

But, came the third and Coach Al Gruner's crew was on the launching pad. They picked three in that frame, three more in in the fourth and blasted five in the sixth.

Durelle Wins Over Ballarin

MONTREAL (AP)—Yvon Durelle, pointing for renewed recognition as a contender for the world's lightheavyweight title, chased and pounded Germinal Ballarin of France Wednesday night for a unanimous 10-round decision.

The Canadian and British Empire champion from Baie Ste. Anne, N.B., carried the fight and had things pretty much his own way. He scored the only knockdown, a mandatory eight count in the 10th round.

Ballarin's best efforts were a fair left and the ability to scuttle backwards about as fast as the pursuing Durelle could gallop forward.

The official weights for the nontitle scrap were 178½ for Durelle — more than three pounds over the light heavyweight limit — and 171½ for Ballarin, who has done most of his fighting as a middleweight.

ABC Official At KBA Meeting

Robert Lynch, regional representative for the American Bowling Congress, will be in Kingston Tuesday to meet with Kingston Bowling Association officials.

The KBA will also hold its annual meeting and elections Tuesday at 7:30 p. m. at the YMCA. Voting will be by league delegates.

Bartroff Leads Central Rec Pin With 175 Average

Top honors in the Central Recreation Bowling League went to Chez Emile and Frank Bartroff at the circuit's annual dinner Monday night at Capri's.

Chez Emile captured the league championship by 4½ games over Habers Grill, while Bartroff was the individual leader with 175.

Bartroff also walked off with high single prize for his 247 solo. The high series award went to Joe Scheff for 633. George Kearney rolled 19 200 games.

RPI Names New Football Coach

TROY, N. Y (AP)—Ed Hoffman is the new head football coach at Rensselaer Polytechnic Institute.

The 32-year-old Hoffman, who had been assistant coach, was named Wednesday to succeed Richard Lyon. Lyon resigned Monday to coach football at Ithaca College.

Besides coaching the RPI line, Hoffman also has directed the wrestling and freshman lacrosse teams at the engineering school.

Hoffman was graduated from Springfield College in 1953. He is a native of White Plains and was director of athletics at Friend's Academy, Locust Valley, from 1954 until coming to RPI in 1955.

The DP went Leahy-Chilson-Friedman.

The Eagles outhit the winners (6-4) as B. Terwilliger fanned three and issued the same number of walks.

B. Miller, however, didn't issue a pass to the Eagles and struck out three.

The Wrens picked up three runs in the second and moved in front with a marker in the sixth.

Maroon Netmen Score 4 to 1 Over Monticello

Kingston High School's tennis squad defeated Monticello yesterday, 4 to 1, dropping only one doubles match.

The Maroon's Bob Strong defeated Monticello's Pete Hakin, 6-2, 2-6, 6-2, in the opening singles while Charles Fuscardo picked up another victory for Kingston in the No. 2 pairing, defeatting Mike Rosen, 6-2, 4-6, 6-2.

Pete Zeeh scored a 6-4, 6-1 victory over Monticello's Mike Picard in the other singles event.

The tandem of Strong and Zeeh topped Hakin and Picard, 6-4, 6-2, in the first doubles match.

Jeff Stern and Rosen topped the Maroon's Tom DeWitt and Fuscardo, 6-4, 6-4, in the other doubles.

Costello Fires 75

Maroon Golfers Beat NFA for Fifth Victory

William (Buzzy) Costello, a little tyke who competed in the Freeman Hole-in-One tournament as an eight-year old, fired a sparkling 37-38-75 yesterday to pace Kingston High to a 7½ to 4½ victory over Newburgh Academy on the Twaalfskill links.

The victory enabled Coach Harold Hathaway's swingers to retain first place in the DUSO League standings and was their fifth win in six matches. They tied one.

Costello, a freshman, won three points in the No. 4 slot. Dennis Beaver fired 37-39-76 for a 3-0 win over his NFA opponent. Mike Bruhn halved his No. 1 match with Dick Wollman of the Goldbacks. Both had 77s.

NFA's Don Dunphy blanked Fred Barthel, 3-0, for the losers' only win. Dunphy spliced 36-39-75, while Barthel hit 41-39-80.

Ellenville Vets Win First O-U League Contest

Capturing their first Orange-Ulster County League tilt, Ellenville Vets defeated Cornwall this week, 6 to 1.

The victory was achieved on the three-hit performance of Haener, who struck out seven and issued one pass. M. Rappaport, Bill Bendas and Art Thomas lead the Vets batting, each over the .400 mark.

Ellenville will be host Sunday to Newburgh. Game time is 2 p. m. at Ellenville High School field.

Lopez Refuses To Write Off Sox

CHICAGO (AP)—Despite the gloom of the American League cellar, Manager Al Lopez of the once highly rated Chicago White Sox declared optimistically today "there is still a long way to go."

The Sox Wednesday folded for the second straight day at Comiskey Park under Yankee home run pressure and lost 5-2.

That put the last place Sox 11½ games behind the first place Yankees.

The Yanks killed off Chicago's two aces, Dick Donovan and Billy Pierce, in their two-game sweep.

Lopez was not too dismayed. "They got two homers and so did we, but they had men on base on their's and we didn't," said Lopez after Wednesday's defeat of Pierce, one of the American League's two 20-game winners last year.

Pierce has a 1-4 record this year.

Hilltoppers, Alart's Score

Green Tosses 3-Hit Win Against Chezzies

Hilltop Rest and Alarts scored wins in the City Softball League last night, and Jerry Green's three-hit performance for the Hilltoppers was the night's top individual effort.

Frank Fuscardo's crew edged Chez Emile, 6 to 5, and Alarts defeated Pat & George's, 10 to 7.

Chez Emile collected five runs in the opening frame but Green got stingy after that. While Hilltop could only tap Onsrud and Benny Freer for three hits, they took advantage of 11 bases on balls. George Glaser picked up two of the Chez' three hits.

Joe Venuti turned in another of his polished jobs for Alarts. He pitched well in the clutch and backed by 13 hits which were converted into 10 runs.

Henry Passante had a 4-for-4 night, including a double and triple for the losers.

Arlington Plans 50-Lap Feature On Memorial Day

A 50-lap feature will top Arlington Speedway's racing program on Memorial Day. First race starts at 8:30 p. m.

The card will include three 10-lap heat races; two 12-lap finals, a 10-lap consolation. Last extra distance race at Arlington was captured by Joe "Zorro" Campanella in a 150-lap victory.

Zorro, Art and Les Fowler of Peekskill will be back again May 30 to try for their initial win of the season. Clyde Smith of Mt. Tremper won the opening night feature while Curly Shubert of Cold Spring won last Friday's event and Bill Murdock of Kingston swept the card to equal Smith's opening night success.

Friday evening's races at Arlington will be a preview of the Memorial Day race.

Chic Stockwell, Joe Messina At Rhinebeck

Chick Stockwell of Woodbury, Conn. and Joe Messina of Troy resume their stock car duel Saturday night at Rhinebeck Speedway.

Messina has been runnerup the first two events of the season, while Stockwell hopes to become the season's first repeater.

Other crack drivers in the field will be Hoppy Jensen of Bristol, Conn., Lou Judson of Waterbury and Bill Boo, Carleton Hughes and Bill King.

The strictly stock sedans will return this week to entertain the fans. The sedans are driven by novices and keep the audience in stitches with their antics.

The program will number eight events in all, including the 15-lap sedan race and the 30-lap Non-Ford feature. The first qualifying heat is scheduled for 8:30 p. m.

Jenkins to Run Vancouver 440

Charlie Jenkins, Villanova University's world champion quarter-miler, will run in the British Columbia Centennial Games at Vancouver June 5-7, it was announced yesterday.

Jenkins, who won a gold medal at the 1956 Olympic Games in Melbourne, helps make the Centennial Games 440 one of the best in the three-day meet.

Jenkins, 24, will compete with Canada's Terry Tobacco, England's Dr. John Wrighton, Poland's Stanislaw Swatowski, Jamaica twins Mal and Mel Spence and the University of Nebraska's Maurice Fleming.

Schatzel Slams 636

John Schatzel powered games of 223, 190 and 223 for 636 high series in the Ferraro Summer Classic.

Onteora Thinclads Set Two Records Downing Liberty High

100 Yard Dash And Broad Jump Marks Cracked

Onteora Central's thinclads discovered yesterday that records were made to be broken as the Indians established two new school marks, set a new time in the 100-yard dash on their own track and defeated Liberty, 62½ to 41½, for their first setbback in three years.

New school records were established by Tom McCrosson in the broad jump with a leap 19 ft. 2 in. Though McCrosson finished second in that event he bettered Benny Robinson's old mark by one inch.

Norman Boggs won the high jump with an effort of 5 ft. 8¾ in. while Ed Gilligan's 10.6 in the 100-yard dash established a new time for the Onteora track.

Win Five Events

Onteora, coached by Bernie Stahl and Andy Shekita, captured five track events while Liberty won two field events, pole vault and broad jump.

Onteora's Howard Hopkins and his brother, Bruce, combined to take the mile and half mile runs. Howard won the mile in 5 min. 4 sec., and Bruce's time in the 880 was 2.16.

Craig Bremer's 116 ft. toss in the discus event and his shot put of 39 ft. 11 in. kept Onteora even with Liberty in the field events.

The summaries:

180-yard hurdles — Won by Wilson L, 22.7. Boggs O, 2; Kavelski L, 3.

100-yard dash—Won by Gilligan O, 10.6. Kinne L, 2; Schulman O, 3.

440- yard—Won by Malony L, 56.3. Wetterau O, and Travis L, (tie).

Mile—Won by Hopkins O, 5 mins. 4 secs. Thompson L, 2; Foster O, 3.

220—Won by Gilligan O, 24 secs. Cange O, 2; Grant L, 3.

880—Won by Hopkins O, 2.16. Oliva L, 2; Canty L, 3.

Shotput—Won by Bremer O, 39 ft. 11 in. Evers O, 2; Loos L, 3.

Broad jump—Won by Grant L, 19 ft. 5 in. McCrosson O, 2; Casimer O, and Janick O, (tie).

Pole vault—Won by Thompson L, 9 ft. Gribbins O, and Deutsch L, (tie).

Discus—Won by Bremer O, 116 ft. Maloney L, 2; Loos L, 3.

High jump—Won by Boggs O, 5 ft. 8¾ in. Hopkins O, 2; Schreiner O, and DcDermont L, (tie).

880-relay—Won by Onteora. (Gilligan, Rose, Schulman and Cange). 1 min. 40 secs.

Freshman 440-yard relay—Liberty. (Rosh, Delsing, Rattnek and Stewart). 52.2.

Daily Gallon Betters Own TrackRecord

By The Associated Press

Any other horse would have been content to rest on his laurels a while, but not Daily Gallon.

After setting a personal record of 2:05 for the mile only last week at Roosevelt Raceway, Daily Gallon bettered the mark by a full second Wednesday night at the same track.

The 8-year-old gelding did 2:04 in winning the $4,250 Rip Tide Class AA Trot by half a length over Famous Hanover.

Pacing highlighted the fare at the Buffalo Raceway, where Mr. Creed overtook five rivals in the final quarter and claimed the $2,000 feature mile in 2:04 4-5, a length ahead of Tamburlaine.

Daily Gallon, owned and driven by Anthony Garafola of Brooklyn, paid $12.50 in his fifth victory in six seasonal starts.

Famous Hanover went the entire mile at Westbury on the outside and gamely held his second-place spot against the challenge of Trump Hanover, who finished third.

At Hamburg, Eddie Wheeler drove Mr. Creed, a 5-year-old gelding owned by James M. and Bernard Hofler of Sunbury, N. C. The winner paid $6.30.

Player, DiVicenzo Kansas City Threats

KANSAS CITY (AP)—Gary Player, a tough little competitor from South Africa, and the veteran Roberto De Vicenzo of Mexico City pose as championship threats in the $22,500 Kansas City Open golf tournament starting today.

Player won the recent Kentucky Derby Open in Louisville and was beaten in a sudden death playoff by Sam Snead in the Sam Snead tournament at White Sulphur Springs last weekend. A total of 127 players open the four-day meet.

In 20 seasons of racing, Hollywood Park has paid $117,568,847 in taxes.

MEMENTO FROM BABE—Althea Gibson, world's top woman tennis player, receives in New York the Babe Didrikson Zaharias trophy as the "Woman Athlete of the Year" after winning the title on basis of The Associated Press poll of sportswriters and broadcasters. Presenting trophy is George Zaharias, whose wife, the fabulous Babe, won the honor six times before her death in 1956. This is the second year for the trophy—a giant silver bowl for temporary possession and a smaller replica as a permanent prize. (AP Wirephoto)

Cleveland's Big Four Is Dead

Roberts' Comeback Complete

Phil's One-Time Ace Shuts Out Cardinals, 1-0

By THE ASSOCIATED PRESS

No Herb Score. No Bob Lemon. No Early Wynn. And very very little of Mike Garcia, the last of Cleveland's Big Four.

Only Ray Narleski, Don Mossi, Cal McLish and Hoyt Wilhelm, four rescued reliefers. And such practically unknowns as Jim Grant, Don Ferrarese, Bob Kelly and Dick Tomanek. Yet the Indians are putting up a stubborn battle.

They demonstrated that again Wednesday when they turned back Boston 3-2 in 12 innings. Tomanek, an unheralded left-hander, went all the way. The victory boosted Cleveland back into fourth place.

Baltimore made it two straight over Detroit with an 8-1 triumph while Kansas City was beaten by Washington 6-1. The New York Yankees continued their massacre of the rest of the league by defeating the Chicago White Sox 5-2.

Two Triandos Homers

Gus Triandos and Gene Woodling drove in three runs each to help the Orioles inflict the seventh straight loss on the Tigers. Triandos rapped two home runs and Woodling a homer and a single. Ken Lehman won his first game with a nifty relief chore.

Home runs by Ken Aspromonte, Jim Lemon and Norm Zauchin spelled defeat for Ralph Terry of the Athletics. Russ Kemmerer posted his first victory with a four-hitter.

Home runs also paved the way for the Yankees' eighth straight victory. After Chicago had taken a 2-0 lead on four-baggers by Jim Landis and Al Smith, the Yankees tied the score on Elston Howard's two run blow in the fifth and tallied the winning runs when Gil McDougald tagged Billy Pierce for a three-run wallop in the sixth.

Whitey Ford won his fourth in six decisions with a nine-hitter. Pierce, who has won only one game this season, dropped his fourth.

Sharpshooter, Mix Hanover Due at Goshen

GOSHEN — The harness horse racing world is awaiting the first meeting between two outstanding trotters, Sharpshooter of Goshen's Arden Homestead Stable and Mix Hanover, the property of K. D. Owen of Houston, Texas.

The fast-stepping three-year-olds will clash head on in the Historic-Dickerson Trot at Historic Track on Wednesday afternoon, July 2. To the winner will go the favorite's role for the 1958 Hambletonian to be raced in DuQuoin, Ill. in August.

Arden Drive-Trainer Harry Pownall worked Sharpshooter at Historic Track Tuesday.

"He'll go again Friday," said the driver who drove the great Titan Hanover to trotting fame.

Sharpshooter, owned by the Arden Stables, has been developed under the fine guidance of Pownall. Making 32 starts in 1957, Sharpshooter was first 11 times, took 11 seconds and finished third twice. He won $50,393 and posted a mark of 2:02 4-5 at Lexington, Ky.

Fourteen Americans In British Amateur

ST. ANDREWS, Scotland (AP) — Fourteen Americans will compete in the 63rd British Amateur golf championships, June 2-7, and four have drawn seeded positions.

Gene Andrews of Pacific Palisades, Calif., Jimmy McHale of Philadelphia, Harold Ridgley of Haverford, Pa., and Tim Holland of Rockville Centre, N. Y., are the seeded Americans.

Sluggers Night In Eastern Loop

By The Associated Press

A little timely slugging made difference Wednesday night in three Eastern League games.

Three Binghamton pitchers, for example, allowed only five hits. But they walked five men and Reading capitalized with two home runs and a double to win 5-1. It was Binghamton's fifth straight loss and the team dropped from first place in the Northern Division.

Williamsport was losing 2-1, but the team scored twice in the eighth on a triple, a double and a sacrifice fly to defeat York 3-2.

York holds first place in the Southern Division. The game attracted 3,499, largest crowd this season at Williamsport.

The Albany-Allentown game was in the 11th inning when Whitey Schmidt hit a home run with one on and Albany won 7-5. It was Albany's third homer of the night.

The Lancaster-Springfield game went to 13 innings. In the last frame Wendell Antoine scored George McCue from second with a single and Lancaster won 2-1. It was a heartbreaker for Julie Navarro. The righthander pitched the entire game for Springfield giving up only seven hits.

Home Streak Ended

MOREHEAD, Ky., (AP) — The Morehead State College basketball team was defeated for the first time in 35 games on its home floor the past season. Tennessee Tech beat the Eagles, 66-63, in overtime.

But Reliefers Keep the Tribe In Pennant Race

By THE ASSOCIATED PRESS

Robin Roberts is back where he belongs—among the elite of the pitching fraternity.

Once the premier pitcher of the National League, Roberts won only 10 while losing 22 last year. There were widespread rumors that his days with the Philadelphia Phillies were numbered.

It was not until his last exhibition start this past spring that the 31-year-old Roberts was assured of a starting berth again.

Now Robbie the great is Philadelphia's fair-haired boy again. Wednesday night when he hurled the Phillies to a spine-tingling 1-0 triumph over red-hot St. Louis. Furthermore, he broke up a scoreless duel with Sam Jones with a ringing eight-inning double that drove in the lone run.

The San Francisco Giants defeated Cincinnati 5-4 in 10 innings to increase their first-place margin over Milwaukee to 2½ games. Los Angeles made it two in a row over the Braves, 2-1 and Chicago thrashed Pittsburgh 5-1.

Mays Pounds 12th

Willie Mays won the game for the Giants with a 10th-inning home run, his 12th of the season. Willie also had two singles and his sacrifice fly brought in the tying run in the seventh when the Giants wiped out a 4-2 Cincinnati lead. Marv Grissom, third Giants pitcher, received credit for the victory with Hal Jeffcoat losing it.

Gino Cimoli drove in both Dodger runs with his fifth home run in the first inning and cut down Milwaukee's bid for a tie in the seventh with a strong throw from center field that nipped Wes Covington at the plate. Don Drysdale won his second game for Los Angeles. Bob Ruth lost it.

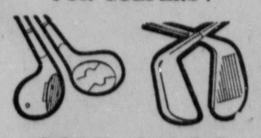

Walt Moryn drove in three runs with a home run and single and Taylor Phillips hurled a five-hitter for his second triumph in Chicago's victory over Pittsburgh. Bob Porterfield was the loser.

Score Sidelined For Three Weeks

CLEVELAND (AP) — Cleveland's Herb Score, the lefthander with the amazing fast ball, appears headed for another "jinx" season. Last season a line drive smacked him in the eye on May 7, putting out of action the rest of the season.

After defeating the Chicago White Sox 2-0 on a three-hitter in which he struck out 13, Score injured his elbow in his next start at Washington, April 30. Best guess is that it will be at least three weeks before Score is back.

Harvard Oarsmen Consider Henley

CAMBRIDGE (AP)—Harvard's undefeated lightweight crew has voted to participate in England's famed Royal Henley regatta this summer, providing $8,000 can be raised.

The oarsmen voted in favor of the trip last night just as Yale's unbeaten heavyweight crew turned down an invitation to the classic international event.

A group known as Friends of Harvard Rowing composed of former varsity oarsmen has promised to raise the remainder of the needed cash if the current varsity can solicit one-third of the $8,000.

The crew also has been invited to compete in Hamburg, Germany, one week after the July 2-5 Henley regatta.

Mrs. Mattia and Mrs. Lapine Capture Wiltwyck Tourneys

Mrs. Michael Mattia won first place in the nine-hole poker tournament in Wednesday Ladies' Day competition at Wiltwyck Country Club.

Mrs. Sam Greenspan was second and Mrs. Haskell Naigles took third. The first event of the ladies Twilight Division was held Tuesday evening. Mrs. William Lapine won first prize and Mrs. Joseph Koenig was second.

Mrs. George Rifenbary announced a mystery tournament to be held next week. Players are asked to be at the club by 9:30 a. m.

Mrs. Prescott Newell, golf chairman, announces that the annual Ladies' Invitational has been moved up from July 16 to Wednesday, July 2, in order not to conflict with a tournament to be held at another club.

Saugerties JV's Defeat Onteora Central in Track

John Megandahl scored in two sprint events to lead the Saugerties High School junior varsity track team to an overwhelming 68 to 15 win over Onteora Central Monday at Saugerties.

Mergandahl ran the 100 in 12.8 and hit the tape in 7.7 in the 60 yard dash. The Sawyers took every first, except the shot put event, won by George Hammond.

The results:

100—Mergandahl (S), Hrdlicka (S), Gilligan (O), 12.8.

440—Fellows (S), Jobst (S), Kessler (O), 70.5.

60 yard dash — Mergandahl (S), Gilligan (O), Champman (S), 7.7.

220—Hrdlicka (S), Vickery (S), Rea (S), 28.

880—Alson (S), Aldrich (S), Welton (S), 2:38.

Pole Vault—Medal (S), Aldrich (S), Thompson (O), 6 ft. 4 inches.

High Jump—Jobst (S), Graham (O), Tolman (O), 4 ft. 8 inches.

Broad Jump — Fellows (S), Hammond (O), Chapman (S), 16 ft. 6 inches.

Discus—Clearwater (S), Rea (S), Smith (S), 60 ft. 8 inches.

Shot put — Hammond (O), Clearwater (S), Rea (S), 27 feet, 6 inches.

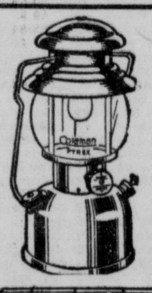

Relay (S) — Rea, Chapman, Vickery, Mergandahl, 58.4.

Bald Eagle Wins York Sweepstakes

YORK, (AP)—American-owned Bald Eagle, the 11-10 favorite, today won the Dante horse race sweepstakes.

The three-year-old colt beat a field of seven, including several entries for the June 4 Epsom Derby.

The American colt boosted his own Derby prospects again. His chances didn't look good April 30 when he finished far back in the 2,000 Guineas.

Twaalfskill Swingers Open Season With Seniors Tourney

The Twaalfskill Club will launch their 1958 tournament schedule with the Seniors championship over the Memorial Day weekend, J. W. Johnson, golf chairman, has announced.

The Seniors will be over the 36-hole route and prizes will be awarded for low gross and low net. A Flag tournament is scheduled the same weekend for all members.

Major holdover events from 1957 include the 36-hole President's Cup handicap play over the 4th of July weekend. The annual Member-Guest is carded July 26 and will be followed by a buffet supper and dance.

Twaalfskill is also host to two major area events this year, the finals of the Herdegen Memorial on Sunday, June 29, and the annual Freeman hole-in-one competition on Sunday, Aug. 3.

Johnson said more Thursday events will be scheduled and an inter-club match involving Twaalfskill, Woodstock and Wiltwyck is in the works. Sweepstakes will be staged every weekend.

Assisting Johnson on the golf committee are Floyd W. Flint, Henry S. Hartley and Burton L. Haver.

Frank Campochiaro is chairmen of the handicap committee.

The 1958 schedule:

May 30-31, June 1 — Seniors championship, 36 hole medal tournament. Low net and low gross; also Flag tournament.

JUNE

June 12 — Inter-club team match and dinner.

June 29—Finals, Herdegen Memorial tournament.

JULY

July 4-5-6—President's Cup, 36 hole medal play, full handicap.

July 19-27—Qualifying round, club championships.

July 26—Member-Guest tournament followed by buffet dinner and dance.

July 28-Aug. 3—First round all flights of club championships.

AUGUST

August 3—Freeman Hole-in-One.

August 3 — End qualifying round club championships.

August 4-10—Second round, club championships.

August 11-17 — Third round, club championships.

August 23 — Club championship finals.

August 30 — Quota Tournament.

SEPTEMBER

Sept. 1—Quota tournament

Sept. 20-27—Club Doubles.

Bill Summers is umpiring in the American League for his 26th straight season.

Four Americans Are Seeded in British Amateur

ST. ANDREWS (AP) — Four Americans were awarded seeded positions yesterday among the 200 entries for the 63rd British amateur golf championships to be played over the Old Course of St. Andrews June 2-7.

The program of play calls for 18 hole opening round to begin 7 a. m. (3 a. m. EDT) and continue well into the night. The second round will be Tuesday. Two 18-hole rounds each will be played Wednesday and Thursday; the 36-hole semi-finals Friday and the 36-hole finals Saturday.

Ten other Americans were drawn for starting positions in the first British Amateur ever to have seeded players or to require qualification rounds.

Gene Andrews, of Pacific Palisades, Calif., and Jimmy McHale, of Philadelphia, were seeded and drawn in the first quarter pairings. Andrews, playing in his third British Amateur, meets Dr. J. L. Hastings, of Scotland. McHale meets W. G. Richmond, of Scotland.

Harold B. Ridgley, of Haverford, Pa., runnerup last year to Reid Jack, was seeded and drawn to play 17-year-old Bobby Verwey, of South Africa, in the third quarter. The fourth American seeded, Tim Holland, of Rockville Centre, L. I., was drawn in the final quarter and given a bye.

As Willie Goes So Go the Jints

CINCINNATI (AP) — As Willie Mays goes, so go the Giants.

Willie was in fine form Wednesday night and so the Giants increased their National League lead over second place Milwaukee to 2½ games by beating Cincinnati 5-4 in 10 innings.

Willie not only accounted for the winning run with his 12th homer of the year to lead off the 10th. He also had a double and single, drove in an earlier Giant run with a sacrifice fly and stole a base.

In addition he added to his list of great catches by snaring Ed Bailey's long drive which, had it fallen safe, would have tied the score again in the last of the 10th.

Meantime you have to give Manager Birdie Tebbetts of the Redlegs credit for being an optimist.

His ball club blew a two-run lead in the seventh inning Wednesday night and then lost a 5-4 decision to the San Francisco Giants in the tenth for the ninth defeat in the last 11 games but Tebbetts insisted:

"The Reds are just too good a team to continue losing. We know we have good players and it's just a matter of patience. These things have happened before. It's a long season and I know we'll get going before long."

There were indications the patience of the fans is wearing thin. Attendance already is well below last year and Wednesday night game drew only 8,669 fans.

Yesterday's Stars

By THE ASSOCIATED PRESS

Batting — Gino Cimoli, Dodgers, drove in both Los Angeles runs with a two-run homer in the first inning and cut down Milwaukee's potential tying run with a strong throw to the plate in the Dodgers 2-1 triumph over the Braves.

Pitching —Robing Roberts, Phillies, outpitched Sam Jones of St. Louis in a 1-0 duel and drove in the only run with a double in the eighth inning.

In 10 Derbys

LOUISVILLE, (AP)—Conn McCreary, who won two Kentucky Derbys on long shots, now has appeared in the 3-year-old classic at Churchill Downs 10 times. He won with Pensive at 7 to 1 in 1944 and with Count Turf at 14 to 1 in 1951. He has been third twice and his Derby mounts have earned $170,725. This year he was fifth with Martins Rullah.

SWINGING INTO ACTION—Frank Guido, Dodger pitcher, is the first batter opening the Glasco-East Kingston Little League. The catcher is Doug Kilburn of the Yankees. The latter won the opener 3-2 in 8 innings.

Aussie Runs Mile in 3:57.8

LOS ANGELES (AP) — Herb Elliot, the wonder from Down Under, has a world record mile run in the hopper today but there's some doubt that he'll ever get it in the books.

The slender young Australian ran the distance in a stunning 3:57.8 in the Coliseum Relays Friday night, beating the recognized world record held by fellow Aussie John Landy by two-tenths of a second.

But here was grave suspicion that the International Athletic Amateur Federation might cast a skeptical eye at Elliott's magnificent performance because of the pace-setting job done by an unheralded Texas runner, Drew Dunlap.

Dunlap, not even listed on the official program, jogged into the lead at the start and stayed there until just after the half-mile point —when he suddenly stepped out of the race.

Track experts said they were astonished that officials should even think of submitting Elliott's time for consideration.

But meet Referee Larry Mouston implied that's what will be done.

Percy Ceruty, Elliott's coach, said firmly that his 20-year-old student's record should be sanctioned.

Elliott said he'd like to see England's Derek Ibbotson recognized as the world record holder. Ibbotson ran a 3:57.2 last year but the time has not been recognized — although it still could be — because of pacing.

Drysdale Glad To Depart That 'Thing' in L. A.

MILWAUKEE (AP)—Don Drysdale says he and the other members of the Los Angeles Dodgers' pitching corps are glad to be away from the Coliseum and "The Thing" for a while.

"The Thing," of course, is "The Fence"—a 42-foot receiver of stolen goods in left field, 250 feet from home plate.

"The Coliseum can't help the pitchers," Drysdale said Wednesday after beating the Milwaukee Braves 2-1 with the help of reliefer Clem Labine. "All it can do is put us all in a hole."

Drysdale, who is off to a snail-like start with 2 victories and 7 defeats, said no one likes to use the misshapen ball park as an alibi.

Adjustment Needed

"But," he added, "the fact remains that most pitchers make adjustments when they pitch there and get thrown out of kilter. It's pretty hard to get back in the groove again pitching there.

"All you can think about is The Thing and those right-handed hitters coming up there taking a bead on it.

"That's why this road trip should do us all some good. Maybe we can get out of our bad habits, such as trying to pitch too fine to right-handed hitters.

"We probably tried too hard during those first few weeks. We wanted to get off to a real good start to repay the Los Angeles fans and we got to pressing. No one can win then."

Quits Pin Competition

MADISON, Wis. (AP)—An ailing hand has forced Connie Schwoegler, world bowling champion in 1942 and again in 1948, to quit tournaments. "My bones are too brittle and my fingers blister too much," said the 230-pound 6-foot-3 kegler.

Last ABC Champion Defends Title Today

SYRACUSE, N. Y. (AP) — Bob Allen of Yonkers, N. Y., will be the last American Bowling Congress defending champion to make a bid at retaining his crown when he appears in the minor events of the big tenpin show today.

The tall, lanky southpaw won the ABC singles last year with a 235-196-298—729. Thus far, all of last year's champions have failed to extend their reigns.

Havana Hurler Finds Columbus Jets His Pie

By The Associated Press

Winning can become such a pleasant habit that Havana's Mike Cuellar doesn't like to change.

He proved this Wednesday night as he beat the Columbus Jets for the second time in nine days, 3-1, in one of three International League games. The fourth, Buffalo at Montreal, was rained out.

Rochester edged Toronto 3-2 and Richmond defeated Miami 6-3.

Cuellar hurled a neat 2-hit, 2-0 victory in Havana the last time he faced the Jets. This time he gave out eight hits but still upped his record to 4-1.

Elio Chacon's single with men on second and third in the eighth inning broke a 1-1 tie to pin the loss on Cholly Narranjo, who lost in Havana the last time he faced the Sugar Kings.

Raps Fourth Homer

Jack Daniel's sacrifice fly following two errors put Havana out in front 1-0 in the fifth only to have Bill Causion tie it with his fourth homer of the year in the bottom of the inning.

Rochester first baseman Ed Stevens doubled home Tom Burgess in the eighth inning to give the second-place Red Wings a 3-2 lead. Bob Kuzava's help was needed in the ninth inning to hold the edge.

Kuzava came on with men on first and third and induced Rocky Nelson to hit into a game-ending double play. The victory went to Gary Blaylock, now 3-1, while Bob Tiefenauer (2-3 lost in relief of Don Johnson and Jack Crimian.

Burgess and Duke Carmel each hit solo homers for Rochester and Mike Goliat homered with one on for Toronto.

Richmond broke up a tight game with one on for Toronto.

Richmond broke up a tight game with five runs in the seventh and eighth innings, featured by Deron Johnson's two-run homer in the eighth.

McDermott Triples

Miami starter Bob Frederick was chased in the seventh after Bob Oldis' double scored two runs.

Bob Chakles had to help out starter and winner Johnny James in the ninth inning as Miami scored twice on a single by Bob Micelotta, a triple by Mickey McDermott and Don Landrum's double with two out. Micelotta also had a home run.

James struck out 11 and allowed only five hits before leaving.

Williams Slumps To .225 Average

CLEVELAND (AP)—What's wrong with Ted Williams? The 39-year-old power hitter who led the American League with a .388 mark in 1957, today was batting a mere .225.

Williams collected only one hit in 10 at bats in the just concluded two-game series the Boston Red Sox had with the Cleveland Indians. Wednesday, left-hander Dick Tomanek held Williams hitless in five trips.

Bragan Changes Tune on Tomanek

CLEVELAND (AP) — Eight days ago Cleveland Manager Bobby Bragan called pitcher Dick Tomanek the Indians' "biggest disappointment."

After the 27-year-old left-hander went 12 innings with a 5-hitter against Boston Wednesday, a game the Indians won 3-2 on Minnie Minoso's home run, Bragan changed his tune considerably.

He quickly nominated the fastballer to pitch one of the games in Sunday's doubleheader against the league - leading New York Yankees. Ray Narleski is slated for the other.

"That was a masterful pitching job against the team I figure as the best we've met," Bragan said.

The Indians were rained out of three games with the Yankees in New York, so the American League champions aren't included in Bragan's ratings.

"Tomanek has stuff," Bragan said. "Probably second to no one but Herb Score on this team. And he's always ready and eager to pitch."

Was Bragan's criticism a week ago a spur to Tomanek?

Auburn Yankees On NY-Penn Skids

By The Associated Press

The faltering Auburn Yankees have lost their fourth straight game. Only a half-game margin keeps them from dropping into the second division of the New York-Penn Baseball League.

Auburn lost 11-3 to visiting Elmira Wednesday night as the Pioneers posted their fourth straight victory. Each team got ten hits, but Auburn left 13 men on base.

At Batavia, the Indians got a firmer grip on third place with a 12-0 shutout over Olean. Dave Seemann made his record 4-1 with a four-hitter. Jay Perry batted in four runs.

Wellsville nicked Erie 3-2 at Wellsville. Wally Lozano singled home what proved to be the winning run. Pedro Perez won his fifth against no losses.

League-leading Corning split a doubleheader with visiting Geneva. The Red Sox won the first 6-3, and Geneva took the second 5-0. Tommy Taylor pitched 82-3 innings and got the credit for the victory.

Harmon Rates Hogan Major Threat in Open

NEW YORK (AP) — Ben Hogan, known on the tournament circuit as The Hawk, has his claws sharpened for a grab at his fifth National Open championship.

"I never have seen Ben play better," said Claude Harmon, just back from the tournament at White Sulphur Springs, W. Va. "I wouldn't bet against him at Tulsa."

Hogan finished third in the tournament last weekend, just a shot back of his old rival, Sam Snead, and young Gary Player of South Africa, who tied with 264. Snead won the title in a playoff.

"You have to go with the old men again at Tulsa," Harmon, Masters champion in 1948 and one of Hogan's closest friends, said. "Hogan, Snead and Jimmy Demeraret. That's a good 1-2-3 bet."

BERNIE SINGER
71-73 North Front St. INC. Kingston, N.Y.

TIME TO GET OFF—Dan Delauney definitely decided to go it alone when Robinhurst fell midway through the Robert C. Winmill Memorial. The steeplechase is one of numerous editions of Virginia Gold Cup Races run at Warrenton. The going is rough in this game.

Settlement Made In Three Cases

Settlement of three cases was announced in Supreme Court Wednesday. A jury selected in a negligence action brought by Asa J. Rider and Anna J. Rider against Norma M. Smith and William P. Smith, was discharged from further consideration of the case after the case had been partially presented. The action grew out of an accident on Clifton Avenue Nov. 1, 1957. Schick and Klein appeared for plaintiffs and Arthur B. Ewig for defendant.

Other cases announced settled by Justice Harry E. Schirick were:

Raymond Kelder against Charles Mohan and another, automobile negligence. Napoletano, Kelly and Saccoman for plaintiff and Roy L. Featherstone for defendant.

Frank Thompson and another against Irving Brown, automobile negligence. Cook and Cook for plaintiff and McCabe and McCabe for defendant.

A jury was selected to hear an automobile negligence action brought by Martin Spiegel and another against Mearion F. Tyler. Aaron E. Klein for plaintiff and H. Donald Smith with Francis X. Tucker of counsel for defendant. This accident took place on Mary's Avenue.

Cohoes Man Drowns

MECHANICVILLE, N. Y. (AP) — George Phoenix, 79, of Cohoes, was drowned today when a fishing boat capsized in the Hudson River.

Three other men were saved by onlookers. The three, all elderly, were admitted to Cohoes Hospital in a state of shock, police said.
